

**Bag and Length Limits for Saltwater Fish - 2000-2001**

- Daily bag is the quantity of a species of a wildlife resource that may be taken in one day.
- Possession limit is twice the daily bag on game and nongame fish except as provided in this guide.
- Possession limit does not apply to wildlife resources in the possession of or stored by a person at their permanent residence.
- There are no bag, possession or length limits on game or nongame fish except as listed in this guide.

---	--	---

\* Red drum special regulation: During a license year, one red drum over the stated maximum length limit may be retained when affixed with a properly executed Red Drum Tag and one red drum over the stated maximum length limit may be retained when affixed with a properly executed Bonus Red Drum Tag. Any fish retained under authority of a Red Drum Tag or a Bonus Red Drum Tag shall be counted in addition to the daily bag and possession limit as stated in this section.

\*\* May not take from public waters or possess on board a boat, mullet over 12 inches, during October, November, December and January. No limits apply during other months.

\*\*\* Tarpon special regulation: One tarpon 80 inches or larger in length may be retained during a license year when affixed with a properly executed Tarpon Tag.

### **Fish not listed above have no size or bag limit.**
