---	-----------------	---	--------------------

\*State waters include the Delaware River and Bay, Coastal Bays, and Atlantic Ocean out to 3 miles. Federal Waters include the Atlantic Ocean beyond 3 miles from the Delaware Shore.

\*\*Striped bass recreational season is closed on the spawning grounds (Nanticoke River, C&D; Canal, and Delaware River and their respective tributaries north of the southern most jetty at the C&D; Canal) during April and May. Striped Bass are not permitted to be retained if taken with a recreational gill net.

\*\*\* American shad and hickory shad (species combined) daily limit 10; catch and release only in the Nanticoke River and its tributaries.

# River herring and alewife 25 fish limit, aggregate of fish.

Finfish are measured from tip of snout to tip of tail.

Blue crabs are measured tip to tip on the back (Females with eggs are protected, females with U-shaped apron have no size limit).
