* Summer flounder may not have heads or tails removed or be otherwise cleaned, cut, filleted, or skinned until brought to shore, with the following exception: the white side fillet or white skin only of a legal size fluke may be removed to use as bait. The carcass of the fluke with dark side completely intact must be retained for inspection of size limit and counts against the possession limit.

+ For the purposes of these regulations, Long Island Sound includes all adjacent bays and harbors.

** Marine waters -- South of George Washington Bridge

++ Lobsters and crabs in spawn (eggs visible thereon) may not be taken or possessed.

Check this web site periodically for changes in saltwater fishing regulations. Can't get to a computer? The above information is available as a taped telephone message 24 hours a day, 7 days a week at the Regulations Hotline: 1-800-REGS-DEC (available in Westchester County, New York City, and Long Island only).
