Saltwater Fishing - General Information

- For freshwater finfish species caught in the public salt waters of this state, statewide bag, possession and length limits [as listed](#).
- A person taking or attempting to take game and nongame fish from salt water for non-commercial purposes is required to have a valid fishing license and a saltwater fishing stamp.

Texas State Waters - Federal Waters

Texas recreational and commercial fishermen fishing more than nine (9) nautical miles off the coast of Texas are in federal waters and are subject to rules and regulations that may differ from those in state waters. To ensure that you are in compliance with federal regulations, you should contact the Gulf of Mexico Fishery Management Council at (888) 833-1844 (toll free) or visit their website

The limits and restrictions in this guide apply to aquatic life caught in the public waters of Texas out to nine (9) nautical miles in the Gulf of Mexico, and also apply to aquatic life caught between 9 and 200 nautical miles in the Exclusive Economic Zone (EEZ) and landed in this state. (Federal law also regulates species between 9 and 200 nautical miles managed under a Federal Fishery Management Plan.) See [Importation of Wildlife Resources](#).

Bag and Length Limits for Saltwater Fish

- Daily bag is the quantity of a species of a wildlife resource that may be taken in one day.
- Possession limit is twice the daily bag on game and nongame fish, except as provided in this guide.
- Possession limit does not apply to wildlife resources in the possession of or stored by a person at their permanent residence.
- There are no bag, possession, or length limits on game or nongame fish, except as listed in this guide.
