Changes in Laws and Regulations

This brochure is printed after the end of the legislative session, but prior to some late legislation or regulation changes and is provided for information only. Changes will be publicized in local newspapers and on the DNR web site at www.dnr.sc.gov/reg/changes.html as any new legislation is passed. Discrepancies between the brochure and any statute or regulation shall be governed by the statute or regulation. Errors occasionally appear in this brochure and news releases are published to clarify these situations. To research laws, visit www.scstatehouse.net/code/statmast.htm.

Other information is published only in DNR news releases. This includes announcements relative to shrimp baiting, public hearings, fishing rodeos, DNR Board decisions and position statements, new legislation, youth activities, mobility impaired hunts, US Dept. of Agriculture cost-share programs, special drawing hunts, schedules for newly acquired areas, and many other items of interest. DNR news releases are published weekly and distributed free to editors of all regional and local newspapers and are available to the public on the DNR web site.

What's New for 2008-2009

Mourning Dove Bag Limit Increased to 15

For the 2008-09 mourning dove season, the daily bag limit is increased from 12 birds per day to 15 birds per day. This change is based on extensive analysis and recommendations from dove biologists from eastern states striving for a consistent mourning dove season and bag limit throughout the Eastern Management Unit (EMU). The U.S. Fish and Wildlife Service concurred with the increased bag limit and it is available for the 2008-09 dove season. Prior to this change, states in the EMU had an option of a 12-bird bag limit with a 70-day season or a 15-bird bag limit with a 60-day season. Some states in the EMU had previously selected the 15 bird/60 day option, and others (including SC) had selected 12 birds/70 days.

S. 691 Game Zone Conforming & Cleanup Bill --Act No. 286

This Act specifically redefines archery equipment to include the crossbow; allows the use of artificial lights for the purpose of observing wildlife by a property owner, lessee, or person with written permission from the property owner prior to 11:00 p.m.; allows the use of remote trail monitors or cameras from fixed locations on a property and permits, with written permission of the landowner or leaseholder of the property, the observing of wildlife with the use of artificial lights by someone who is engaged in research or documentary filming; and allows for the buying and selling of wild rabbit parts and carcasses. This Act also removes the bag limit of 5 antlered deer in Game Zones 4 and 5 and removes DNR's regulatory authority over deer in Game Zones 1 and 2.

S.987 & H.4764 Boating Bills – Titling & Enforcement

These Acts, which take effect in January 2009, make numerous changes to the boating laws of South Carolina. Many of the significant changes are as follows: Creates a definition of abandoned boat and makes it a crime to abandon a watercraft or an outboard motor on public lands or waters of the State and also provides for the removal of abandoned watercraft at the expense of the owner; Changes the value of property damage for "reportable accidents" to \$2,000 and requires a reportable boating accident to be reported within 48 hours, or if the accident results in death, loss of consciousness or serious bodily injury it must be reported immediately; Expands the people who can receive a copy of the accident report to include a personal representative or an insurer; Clarifies that a boat or motor located in SC and principally used in this state is subject to SC titling laws (excludes Coast Guard documented vessels); Requires that dealers must show on the Bill of Sale the actual cost of title and registration fees; Increases the time for an application to correct errors on a title or re-title after a cancellation of an assignment from five days to 30 days; Provides that if a person who acquires a watercraft or outboard motor provides proof of an attempt to notify the lien holder for the purpose of satisfying the lien and there is no response within 30 days then the Department can issue a clear title; Makes it a crime to attempt to obtain a Certificate of Title or Registration by fraud or misrepresentation or to display a registration number or decal fraudulently; Greatly simplifies the process by which someone who finds a watercraft or an outboard motor and does not have proper proof of

ownership can acquire title; and Gives 15 additional days for a holder of registration to notify the Department of a change of address.

S. 452 Alligator Control Program -- Act No. 179

Depredation Program - This program provides for the issuance of permits to individuals with problem alligators year round. Everyone who takes an alligator under this program is required to have the permit and a harvest tag which must be placed upon the alligator when harvested. This program is designed to quickly address the removal of problem alligators.

Private Lands Program - This program was initiated in 1995 to allow private property owners with significant acreage of alligator habitat to selectively remove alligators and has included approximately 15-20 properties each year. The use of firearms for taking swimming or basking alligators is now allowed during daylight hours. Rimfire firearms and shotguns are prohibited in taking unsecured alligators. Unsecured alligators may be taken with firearms only from thirty minutes before sunrise until thirty minutes after sunset. The Private Lands Program season runs Sept. 1-Oct. 15 and a \$10 nonrefundable application fee is required to participate. The application deadline is August 15. There is no cost for the Private Lands Permit. A \$10 fee is required for each alligator tag. All hunt participants are required to have a copy of the permit, a harvest tag and a valid SC Hunting License and are required to report their harvest to DNR. The Private Lands Program allows the harvest of alligators four feet or greater in length and each alligator must be tagged.

Alligator Hunting Season - This Act establishes an alligator hunting season within the DNR Alligator Management Program. Applicants are required to apply and pay online and a nonrefundable \$10 application fee is required. The deadline for application is July 15. Hunters will be randomly selected and will then be required to pay \$100 to receive a permit and one tag. Tags will be issued for specific units and hunters will be restricted to those units. Hunters will be allowed to take one alligator which must be tagged immediately with the harvest tag. The applicant must be 16 years of age. The new season will begin on the second Saturday of September and run until the second Saturday of October, which for 2008 is September 13 through October 11. Unsuccessful applicants will accumulate preference points for future alligator hunt drawings. Only alligators four feet or greater in length may be taken. This hunting season does not allow the shooting of unsecured alligators, even on private land. The alligator must be secured using approved equipment and brought boat-side or onto land before it can be dispatched. Hunters are required to report their harvest to the DNR. Others may assist the permitted hunter, but all participants (including permittee) must be licensed South Carolina hunters.

See the SCDNR website for additional information.

S. 873 Disability License -- Act No. 263

This Act gives the recipient the option of a Disability Hunting & Fishing license or a Disability Fishing only license. The Disability Fishing only license is available

for those individuals who cannot comply or desire not to comply with the Hunter Education requirements. All Lifetime Licenses are now available from regional DNR offices. See page 61 for office locations.

H. 4547 Migratory Waterfowl Permit -- Act No. 214

This Act requires the purchase and possession of a State Migratory Waterfowl Permit, and affirms that the electronic endorsement is the single official validation for hunting waterfowl and provides for any purchaser of a permit to receive a commemorative stamp at no cost. South Carolina residents who have attained the age of 64 and hold a statewide lifetime hunting and fishing license are not required to have a state migratory game bird permit.

H. 4548 Striped Bass Limits -- Act No. 237

This Act implements the recommendations of a statewide 40-member stakeholder group which reported its findings to the General Assembly. These recommendations impose a Striped bass systemwide closure to harvest from June 1 - September 30; a creel reduction from 5 fish to 3 fish; and a minimum size limit from 21 inches to 26 inches in the Lower Santee River system and the Cooper River system. Striped bass must be landed with head and tail fin intact.

The 'Lower Santee River system' includes all waters and tributaries seaward of the Lake Murray Dam, the Columbia Canal Diversion Dam, and the Lake Wateree Dam to the freshwater / saltwater dividing line on the North Santee River and the South Santee River. The Cooper River system includes all waters and tributaries, including the Tailrace Canal, of the Cooper River, from its point of origin seaward to the freshwater/saltwater dividing line.

H. 4952 Wildlife Fertility Drugs Restrictions -- Act No. 238

This Act makes it unlawful for any person to introduce a fertility control agent or chemical substance into any wildlife without a permit from the SCDNR. Nothing in this Act prohibits the use of pesticides for the control of commensal rodents per label specifications. A person violating the provisions of this section is guilty of a misdemeanor and, upon conviction, must be fined not more than 2,500 dollars or imprisoned not more than two years, or both.

H. 3059 Providing False Information to Law Enforcement -- Act No. 191

This Act makes it unlawful for a person to knowingly make a false complaint to a law enforcement officer concerning the alleged commission of a crime by another, or for a person to knowingly give false information to a rescue squad or fire department concerning the alleged occurrence of a health emergency or fire. It is also unlawful for a person to misrepresent identification to a law enforcement officer during a traffic stop or for the purpose of avoiding arrest or criminal charges. A person who violates the provisions of this section is guilty of a misdemeanor and, upon conviction, must be fined not more than 200 dollars or imprisoned for not more than 30 days.

H. 4497 Game fish -- Act No. 227

This Act removes white perch from the list of game fish in this state.

SCDNR Education & Outreach Programs

dnr.sc.gov/education.html

What's New continued from page 7

S.1122 American Indian Artists -- Act No. 300

This Act allows American Indian artists belonging to tribes recognized by (1) Public Law 101-644, the Indian Arts and Crafts Board Act, and (2) the state's Commission on Minority Affairs to use wild turkey feathers in arts and crafts that are offered for sale and sold to the general public if the artist has on his person a tribal identification card demonstrating his authorization pursuant to the Indian Arts and Crafts Board Act. This act does not authorize the sale of other parts of wild turkeys, whether taken lawfully or unlawfully, including, but not limited to, capes, beards, and fans.

S.1244 Saltwater Fishing Privileges -- Act No. 268

This Act creates a Lifetime Recreational Saltwater Fishing License and Lifetime Recreational Saltwater Fishing privilege addons to current and future Lifetime Combination License holders. These licenses are now available. Types, fees and an application can be found on page 59. When a lifetime license holder, born after July 1, 1940, reaches age 64, he can apply for the \$9 Senior License to receive additional privileges. All Lifetime Licenses are now available from regional DNR offices. See page 61 for office locations.

SCDNR Education & Outreach Programs

SCDNR plans and directs education programs for students, teachers and the general public. Several programs have received national and state awards. For information about these programs, contact SCDNR Education Programs, PO Box 167, Columbia, SC 29202, 803-734-3885, or ed.dnr.sc.gov.

Hunter and Boater Education Classes

To find the class listings and to register for Hunter Education visit www.dnr.sc.gov/education/hunted.html.

For Boater Education, visit www.dnr.sc.gov/education/boated.html.

You can also call our toll free phone number at 1-800-277-4301.

Boater Education

Boaters under age 16 are required by law to pass an approved boater education course before

operating a personal watercraft (jet ski) or a boat powered by 15 h.p. motor or larger unless accompanied by an adult 18 years of age or older.

South Carolina boaters can take a boating safety and education course three ways.

1. In a classroom — Share the learning experience with other boaters and a qualified instructor.

2. On the internet — The complete course, including the test, can be viewed or purchased online at boat-ed.com or through a link on the SCDNR home page, www.dnr.sc.gov/education/boated.html.

3. By video — You and your family can take a boater education course in the convenience of your home by purchasing an informative video and instruction manual. To order by phone, call 1-800-460-9698.

For more information on all boating courses, call SCDNR at 1-800-277-4301 or visit dnr.sc.gov.

If you are under age 21 and plan to go boating in another state, check that state's operator requirements. The SC Basic Boating Course is approved and recognized by all states requiring courses. The boater education certificate is not a boating license.

Hunter Education

All residents and nonresidents born after June 30, 1979 must successfully complete a hunter education course that is approved by DNR before a hunting license can be obtained. The hunter education certificate is not a hunting license.

DNR encourages all hunters in South Carolina to be knowledgeable about their sport and safety-conscious when in the field handling firearms. For this reason, DNR offers a 10-hour Hunter Education Course which includes classroom instruction and hands-on experience in hunter safety and

hunting techniques. In addition, students learn about hunting ethics, hunter/land-owner relations, and basic conservation and wildlife management principles. The course is available to schools, clubs and the general public. A Home Study Course is available by calling 1-800-277-4301 or visit dnr.sc.gov/education/hunted.html.

If you plan to hunt out of state, check with that state to find out if hunter education certification is required. The South Carolina hunter safety course is recognized by all states requiring certification.

Trapper Education

The Trapper Education Course includes discussions on furbearer biology, history of the fur trade, wildlife management principles, fur harvest regulations and ethical conduct. This is not a "how to trap" course. Qualified instructors with the SC Trappers Association will discuss and demonstrate responsible trapping techniques.

For information, contact the Furbearer Project at 803-734-3609.

Becoming an Outdoors-Woman

The "BOW" program offers workshops that teach outdoor skills in a relaxed, non-intimidating atmosphere to women ages 18 years and older. More than 20 classes are offered, including: shotgun, rifle, firearms safety; deer, turkey, duck and small game hunting; freshwater, saltwater and fly fishing; bird watching; canoeing; camping; backpacking; backyard habitat... and much more! For information on these workshops, hunts, or other women's activities, contact SCDNR at 803-734-3885 or visit scbow.dnr.sc.gov.

SCDNR Education & Outreach Programs

dnr.sc.gov/education.html

Bowhunting Education Program

The South Carolina Bowhunters Association (SCBA) is a nonprofit organization working to promote safe and lawful bowhunting education and instruction. Several times a year SCDNR/SCBA conducts these educational classes.

The ultimate goal of the SCDNR/SCBA bowhunter education program is to provide bowhunters with the fundamentals of good safe bowhunting and appreciation and respect for the environment in which they hunt and a desire to maintain the highest standards of the sport.

The bowhunter education course is free to participants. For requirements call 1-800-277-4301.

SC Reel Kids™

This program sets goals designed to be fun, educational and active for kids and youth up to age 16. SC Reel Kids work toward goals such as catching their first fish, learning about fish, and improving fish habitats. For their efforts, rewards and certificates are awarded in recognition of meeting program goals, providing kids with the incentive to complete either the Junior Master Angler or Youth Master Angler program. Once youth accomplish the Youth Master Angler status, they will also receive their first annual SCDNR fishing license free after their 16th birthday. For more information, visit screeklids.dnr.sc.gov.

Eating Fish Caught in SC

The South Carolina Department of Health and Environmental Control (DHEC) and the South Carolina Department of Natural Resources (DNR) believe that fish are a healthy, low-fat source of protein. To make sure that the fish you catch are safe to eat, DHEC tests fish from lakes, rivers and streams throughout South Carolina.

To protect your health, DHEC issues fish consumption advisories in areas where contaminated fish have been found. For more information on the advisories, call DHEC, toll free, at 1-888-849-7241 or go to DHEC's web page at www.scdhec.gov/fish.

Take One Make One™

This program is an outdoor education and mentoring program aimed at developing South Carolina's youth and young adults, 12 to 27 years of age, into lifetime participants in conservation, hunting, angling and shooting sports activities. Students are required to complete the SC hunter education safety course and are mentored by an experienced adult for a minimum of one year. There are no registration costs. Presentations, brochures and applications are available by calling 803-734-3995. For more information visit dnr.sc.gov/education/tomo.

Archery in the Schools Program

Designed to teach JOAD-style target archery (Junior Olympic Archery Development) in 4th-12th grades. Core content covers archery history, safety, technique, equipment, mental concentration, and self-improvement. Before presenting the two-week archery course, teachers undergo an 8-hour Basic Archery Instructor (BAI) training program.

The South Carolina Archery in the Schools Program is for public and private schools and may be modified to include home school associations. You can learn more about the program by contacting the state coordinator, Sgt. Dennetta Dawson, at 1-800-277-4301, DawsonD@dnr.sc.gov, write to Investigations & Education, P.O. Box 12559, Charleston, SC 29422, or go to dnr.sc.gov/hunting/archery/.

Property Watch PROGRAM

If you would like to join the Property Watch Program, simply write to DNR Law Enforcement Division at P.O. Box 167, Columbia, SC 29202, Attention: Property Watch Program.

For more information about the program, call 803-734-4002 or go to www.dnr.sc.gov/law/PropWatch.html.

Scholastic Clay Target Program

The Scholastic Clay Target Program provides school-age participants in grades 12 and under with the opportunity to showcase their competitive shooting skills and earn state and national recognition. The program is designed to instill in participants safe firearms handling, commitment, responsibility, leadership and teamwork. For more information visit ed.dnr.sc.gov/.

Get the Facts Before You Buy

Before buying a previously owned watercraft or outboard motor titled in South Carolina, check the status. Visit dnr.sc.gov/boating/. The most current information provided to DNR is available on this site to the public free of charge. Users only need the SC registration number or hull identification number for watercraft and the serial number for outboard motors. Potential buyers are alerted to outstanding liens, unpaid taxes, or status problems that need to be addressed before making a purchase. Don't be a victim of unexpected costs.

National Hunting & Fishing Day

SCDNR and the S.C. Wildlife Federation host an annual event that offers "hands-on" outdoor learning opportunities for every age. Its focus is introducing newcomers to South Carolina's hunting and fishing traditions, as well as rekindling interest of existing hunters and anglers. South Carolina's National Hunting and Fishing Day celebration is free of charge and open to the public on Saturday, October 4th from 9:00 a.m. - 4:00 p.m. at two locations: SCDNR's Cohen Campbell Fish Hatchery, 1529 Fish Hatchery Rd., West Columbia and Duke Energy World of Energy, 7812 Rochester Hwy, Seneca, S.C. 29672. For more information, contact SCDNR at 803-734-0256.

Camp Wildwood

Camp Wildwood is a fun filled week where students experience many aspects of their natural environment. It is a place to discover that we are part of nature and everything we do in some way affects the natural balance. At Camp Wildwood, students acquire the knowledge and appreciation needed for the protection and wise use of our natural resources.

Camp Wildwood is for 9th through 12th grade students and is in session for one week in June. Contact your local Garden Club, Wildlife Federation or the Department of Natural Resources for more information, or visit the Camp Wildwood web site at wildwoodfamily.com.

Invasive Aquatic Plants and Animals

Placement or introduction of some aquatic plants and animals into South Carolina waters is environmentally unsafe. Some non-native species rapidly reproduce and harm waterways and native aquatic life.

Preventing the introduction and spread of non-native, invasive species is the responsibility of all outdoor enthusiasts. Residents and visitors should be familiar with state and federal laws and regulations on possession, movement, and introduction of non-native plants and wildlife before introducing any living material into South Carolina waters. Any intentional or unintentional introduction may be a violation of law.

Other than for research or under a permit, it is not lawful to possess, sell, or place into any waters many water plants including hydrilla, water hyacinth, water lettuce, giant Salvinia, and any other plant on the state or Federal Noxious Weed List. Without a permit it is unlawful to introduce, import, possess, or transport for release any species of marine or freshwater fish or invertebrate not already found in the wild or not native to South Carolina. Exemptions are allowed for possession for exhibition purposes only by municipal zoos or parks, circuses, public museums and scientific or educational institutions.

SCDNR will not grant a permit unless it finds that the aquatic species was taken lawfully in the jurisdiction of origin and that the importation, release, or possession of the plant or animal is not reasonably expected to adversely impact South Carolina natural resources or wildlife populations.

SCDNR may issue special import permits to qualified persons for research and education for specific types of non-indigenous freshwater fish, otherwise they are prohibited for possession or sale. Examples include certain catfish, electric eel,

Aquatic Invasive Species of Primary Concern

- Aquatic Plants: hydrilla, water hyacinth, water lettuce, giant salvinia, phragmites
- Invertebrates: Green Mussels, Zebra Mussels
(Not here yet)
- Fish: flathead catfish, spotted bass, Asian carp, lionfish

Aquatic Invasive Species Introduction Concerns

- Aquarium pets
- Ornamental pond plants
- Invasive bait fish and crayfish
- Invasive aquaculture species
- Marine fish, shellfish, shrimp, pathogens and diseases
- Ballast water discharge

Where to Look for Aquatic Hitchhikers on Boats

Regular cleaning of your boat, motor, and trailer before and after using all South Carolina waters can greatly reduce the spread of aquatic nuisance species. It takes just a minute to protect our waterways.

When you leave a body of water:

- Remove any visible mud, plants, fish or animals before transporting equipment.
- Eliminate water from equipment before transporting.
- Clean and dry anything that comes into contact with water (boats, trailers, equipment, clothing, dogs, etc.).
- Never release plants, fish or animals into a body of water unless they came out of the body of water.
- Report aquatic weed problems in public waters to the Aquatic Nuisance Species Program, SCDNR, 803-755-2872, invasiveweeds@dnr.sc.gov

walking catfish, piranha, stickleback, Mexican banded tetra, sea lamprey, and snakehead. Stocking and removal of non-reproducing white amur or grass carp hybrids are lawful, but only when approved by SCDNR. The importation of tropical fish, reptiles, or amphibians for sale as pets generally does not require a permit. However, the importation or possession of a protected species is prohibited unless a permit is issued.

Because of shellfish disease introduction, it is unlawful to place oysters, clams, or mussels brought from other states into the state's saltwaters. Even open shells may have non-native animals attached or harbor diseases that will affect native shellfish. Shellfish growers may be permitted to import shellfish from safe waters.

Hunting & Fishing License Information

dnr.sc.gov/licensing

Required of All Applicants

Identification – Applicants for all SC hunting and fishing privileges must present a state issued identification card at the time of application. This card should be in your possession when hunting or fishing.

Social Security Number – The disclosure of your social security number is required to obtain SC hunting and fishing licenses. This complies with SC Code 20-7-949 and Federal law 42 USCA 666(a)(13) which requires a licensing agency to provide this information to the Child Support Enforcement unit of the Department of Social Services to establish, modify, and enforce child support orders.

Resident – for recreational privileges is a person who is a domiciled (permanent) resident of South Carolina for 30 consecutive days, or more immediately prior to the date of his application for privileges. Proof of residency is required to obtain a privilege.

Nonresidents – are persons not able to prove SC residency and those residing outside of the state.

Military personnel and their dependents stationed in SC – for sixty days or longer or who are domiciled in this state, are eligible for resident privileges. Valid military identification must be presented when applying.

Military personnel who are residents – of SC stationed outside of the state, and home on leave, shall upon presentation of official furlough or leave papers, be allowed to fish or hunt throughout the state without purchasing a hunting, freshwater fishing or saltwater fishing license. Permits are required to hunt big game, migratory birds, migratory waterfowl and hunt on WMA lands. Tags are required to hunt antlerless deer, and turkey or use non-game fish devices.

Students – enrolled full time in a SC educational institution are eligible for resident privileges. A valid student ID must be presented when applying for privileges.

Borrowing, lending, exchanging, altering or purchasing by fraud DNR privileges is unlawful and suspends hunting and fishing privileges for one year.

Duplicate Licenses – are issued upon affidavit from the licensee that the original license was lost or destroyed and payment of the \$3.00 fee. Duplicates are available at any DNR office and some electronic license sales agents. Duplicates for tags are issued only through DNR offices. No duplicates are issued for federal duck stamps. A new stamp must be purchased.

License in Possession – All licenses, permits, stamps and tags must be in possession of privilege holder while engaging in activities for which privilege documents were issued. Identification indicating name and address must also be in possession of privilege holder.

Persons hunting on their own lands are required to have all applicable licenses, permits, stamps or tags in their possession.

License Year – The license year begins July 1, 2008 and ends June 30, 2009. Regardless of the date sold, annual licenses expire June 30, 2009.

Special tags – All age groups are required to obtain and possess special tags when engaged in the following activities: hunting antlerless deer, and turkey, using non-game fish devices or taking shrimp over bait.

Suspended Licenses – It is unlawful for persons whose privileges are suspended to apply for, hold, or use DNR licenses, permits, or tags.

Where to Buy Hunting & Fishing Privileges:

- 700 license agents throughout the state, see web site for a listing by county.
- Internet – dnr.sc.gov and select BUY.
- Toll Free 1-866-714-3611, available 24-hours, 7 days a week.
- DNR offices in Charleston, Clemson, Columbia and Florence. Office hours 8:30 a.m. -5:00 p.m., Monday through Friday.

Youth Requirements – No child under 16 years of age is required to obtain a hunting or fishing license unless that child engages in the taking of game or fish for commercial purposes or possesses any non-game fish devices.

Freshwater Fishing License – is not required when fishing in a privately owned pond. A license is required when fishing in commercial pay ponds, unless the pond is permitted by DNR.

Georgia & South Carolina Reciprocal License Agreement – All channels of the Savannah River, from its mouth to the confluence of the Tugaloo and the Seneca rivers; and the Chattooga River to the boundary line between Georgia and North Carolina are included in an agreement between Georgia and South Carolina to use valid freshwater sportfishing licenses and permits that have been issued by either state.

This agreement also applies to the following impoundments: Thurmond, Russell, Hartwell, Yonah, Tugaloo, Stevens Creek, and the New Savannah Bluff Lock and Dam, but not to any tributary streams to those impoundments nor tributary streams to the Savannah, Tugaloo, and Chattooga rivers.

All persons holding a valid license from Georgia or South Carolina will be allowed to fish in the waters covered by this agreement.

NOTE: Contact Georgia DNR Wildlife Resources Division at 770-918-6406 for information on Georgia size and catch limits or visit www.georgiawildlife.org.

Saltwater Fishing License – is required when fishing for marine finfish from privately owned boats when transporting catch in privately owned boats or when harvesting oysters and clams. See also pages 23-27.

Hunting – is defined as trying to find, seek, obtain, pursue or diligently search for game.

Hunter Education Requirements – All residents and non-residents, born after June 30, 1979, must successfully complete a SCDNR approved hunter education course and present the certificate of completion before a hunting license can be purchased.

A hunter education card alone is not a valid hunting license. For more information on hunter education, call 803-734-3995 or 1-800-277-4301.

Special Note for Disability, Gratis and Senior License Holders

Before hunting migratory waterfowl (ducks, geese, brants) you must obtain and possess a current Federal Duck Stamp for \$15.

Your license includes the State Migratory Waterfowl Permit (formerly State Duck Stamp) and you do not need to purchase this privilege again.

Disability Licenses – are only available to SC residents. A person who has been a domiciled (permanent) resident of South Carolina for one year or more, immediately prior to his date of application and who is certified to be totally disabled may apply for a 3 Year Disability License or a 3 Year Disability Fishing License. See page 60 for additional information and an application.

Gratis Licenses – are only available to SC residents. A person who has been a domiciled (permanent) resident of South Carolina for 180 consecutive days or more, immediately prior to his application and born on or before July 1, 1940 may apply for a gratis license.

Senior Licenses – are only available to SC residents. A person who has been a domiciled (permanent) resident of South Carolina for 180 consecutive days or more, immediately prior to his application, born after July 1, 1940 and reached the age of 64, may apply for a senior license. The cost is \$9.

Lifetime Licenses – are only available to SC residents. A person who has been a domiciled (permanent) resident of South Carolina for 180 consecutive days or more, immediately prior to his application may apply for Lifetime licenses. A photocopy of the applicant's South Carolina driver's license must accompany the application. Non-resident lifetime licenses are not available. All lifetime licenses remain valid for the privileges issued if the holder moves out of state. However, if the licensee applies for privileges not covered by the lifetime license, and no longer meets the requirement for a resident, he must purchase the additional licenses as a non-resident. See page 59 for Lifetime license types, fees and an application.

South Carolina Department of Natural Resources Privilege Fees — July 1, 2008- June 30, 2009

Duration	Privilege Type	Residents	Non Residents	Notes and Prerequisites (see also page 11)
Fishing Privileges				
Annual	Freshwater Fishing License	\$10.00	\$35.00	See pages 11, 17-18 for more information
7-Day	Freshwater Fishing License	n/a	\$11.00	Valid 7 consecutive days, see pages 11, 17-18 for more information
14-Day	Freshwater Fishing License	\$5.00	n/a	Valid 14 consecutive days, see pages 11, 17-18 for more information
Annual	Lakes & Reservoirs Permit	3.00	n/a	Permit to fish freshwater using nonmanufactured tackle or natural bait only in Lakes Ashwood, Greenwood, Jocassee, Keowee-Toxaway, Marion, Moultrie, Murray, Richard B. Russell and Wiley or the Hartwell, Monticello or Parr Reservoirs or on portions of the Catawba, Savannah and Wateree Rivers. (Specific information is available at dnr.sc.gov/licensing or contact the appropriate regional office on page 61.)
Annual	Saltwater Fishing License	\$10.00	\$35.00	See pages 11, 23-27 for more information
14-Day	Saltwater Fishing License	\$5.00	\$11.00	Valid 14 consecutive days, see pages 11, 23-27 for more information
Annual	Shrimp Baiting License & Tags	\$25.00	\$500.00	Season dates apply, see pages 11, 27 for application
Non-Game Freshwater Fishing Privileges - See pages 19-21 for device specific information				
Annual	Jug Permit	\$5.00	\$50.00	for 3-50 Jugs, 1 per licensee
Annual	Set Hook Permit	\$5.00	\$50.00	for 3-50 Hooks, 1 per licensee
Annual	Eel Pot Tag	\$5.00	\$50.00	Maximum 2 per recreational angler
Annual	Gill Net Tag	\$5.00	\$50.00	Maximum 5 per recreational angler w/ 30 ft nets
Annual	Hoop Net Tag	\$10.00	\$50.00	Maximum 1 per recreational angler
Annual	Trap Tag	\$5.00	\$50.00	Maximum 2 per recreational angler
Annual	Trotline Tag	\$2.50	\$50.00	Maximum 3 per recreational angler w/ maximum 150 hooks
Annual	Commercial Freshwater License	\$50.00	\$1,000.00	Limits apply in certain bodies of water
Freshwater Fishing & Hunting Combination Privileges				
Annual	Combination License	\$25.00	n/a	State Hunting, Big Game Permit and Freshwater Fishing
Annual	Jr Sportsman License	\$16.00	n/a	State Hunting, Big Game Permit, WMA Permit and Freshwater Fishing for applicants age 16-17 only
Annual	Sportsman License	\$50.00	n/a	State Hunting, Big Game Permit, WMA Permit and Freshwater Fishing
Hunting Privileges - See pages 30-56 for new Game Zones and more information				
Annual	State Hunting License	\$12.00	\$125.00	Valid for small game only
Annual	County Hunting License	\$5.00	n/a	Valid for small game only; valid only in the hunter's county of residence
3-Day	State Hunting License	n/a	\$40.00	Valid 3 consecutive days; valid for small game only
10-Day	State Hunting License	n/a	\$75.00	Valid 10 consecutive days; valid for small game only
Annual	Big Game Permit	\$6.00	\$100.00	Hunting License required to hunt Bear, Deer and Turkey
Annual	Wildlife Management Area Permit	\$30.50	\$76.00	Hunting License required for WMA Lands
Annual	Shooting Preserve License		8.50	For hunting specified released species only on licensed shooting preserves
Annual	Wild Turkey Transportation Tags		No Cost	Hunting License and Big Game Permit, season dates apply
Annual	Migratory Bird Permit (HIP)		No Cost	Hunting License, season dates apply
Annual	Migratory Waterfowl Permit (formerly State Duck Stamp)		\$5.50	Hunting License, Migratory Bird Permit, Federal Duck Stamp, season dates apply
Annual	Federal Duck Stamp		\$15.00	Hunting License, Migratory Bird Permit, Migratory Waterfowl Permit, season dates apply. Available at select US Post Offices by phone at 1-800-STAMP-24 (1-800-782-6724), online at www.fws.gov/duckstamps and DNR offices.
Annual	Individual Antlerless Deer Tags		\$5.00 ea	Maximum 4 tags per hunter, season dates apply, see page 53 for application
Annual	Commercial Fur Harvest License	\$25.00	\$200.00	Required for trapping or hunting furbearers for sale or trade. Required to possess 6 or more furbearers or their pelts.
Miscellaneous Privileges				
Annual	Bird Dog Training License	\$50.00	n/a	Contact: SCDNR Small Game Project PO Box 167 Columbia, SC 29202
Annual	Commercial Quail Breeder's License	\$5.00	n/a	To engage in the propagation of pen-raised quail for commercial purposes
Lifetime Privileges - See page 59 for more information and Application				
New Lifetime Saltwater Privileges are now available. For complete information visit dnr.sc.gov/licensing . Lifetime license types, fees and application are available on page 59.				

Point & Suspension Systems for Natural Resource Violations

dnr.sc.gov/regs/points.html

South Carolina law has established suspension systems based upon the accumulation of points assessed for convictions of natural resource laws.

The Game and Fish Point System applies to violations inland of the saltwater/freshwater dividing line and if suspended under this system, a person cannot hunt, fish, gather, trap, land, or pursue game, fish, crustaceans, or shellfish in the State (including coastal waters out to the three mile limit).

The Saltwater Point System applies to violations within the coastal waters of the State. The point categories for assessments are recreational and commercial. Points are assessed according to the appropriate category. Upon accumulation of 18 or more points in the recreational or commercial categories, a person's privileges to fish, gather, land, attempt to take, or possess fish, shellfish, or crustaceans within the coastal waters for the purposes of the affected category, either recreational or commercial, will be suspended. Suspensions under the Saltwater Point System do not affect inland freshwater fishing privileges except for shad, herring, and sturgeon which are regulated by coastal laws inland of the saltwater/freshwater dividing line.

Each time a person is convicted of a violation listed in the point systems, the Department must assess the points against the person's record. Half of the points on record are reduced for each full year in which the person receives no points. The Department of Natural Resources must suspend the privileges of any person who has accumulated eighteen (18) or more points.

In addition to these point suspensions, South Carolina law also contains mandatory suspensions for convictions of specific violations of the law. These suspensions are called "Statutory Suspensions." See Table C for some specific examples of statutory suspensions.

Note:

- *A violation of natural resources law while under suspension may result in additional suspensions of one year to five years.*
- *The purchase or procurement of a license, permit, stamp, or tag allowing suspended privileges while under suspension is a fraudulent purchase and is a misdemeanor punishable by a fine of up to \$1,025.00 and an additional one year suspension of hunting and fishing privileges.*
- *Failure to pay fines, restitutions, may result in suspension of privileges.*

Table A: Game & Fish Points

1. Resisting arrest by force, violence, or weapons against the person of any law enforcement officer enforcing natural resource laws 18

2. Attempting escape after arrest 14
3. Hunting or fishing in a state sanctuary 14
4. Hunting, fishing, or trapping out of season 10
5. Unlawful selling of game or game fish 14
6. Using a borrowed or altered hunting or fishing license, permit, stamp, or tag 10
7. Taking more than the legal limit of game or fish (except striped bass) 8
8. Hunting or fishing without a proper license, permit, stamp, or tag 6
9. Trespassing to hunt, fish, or trap 10
10. Violating Wildlife Management Area regulations 8
11. Unlawful hunting, taking, possessing, or selling alligators 14
12. Killing or attempting to kill or molest deer from a motorboat 14
13. Night hunting deer or bear 18
14. Unlawful transportation of furs or hides and possession of untagged hides 10
15. Trapping quail or turkeys 10
16. Unlawful hunting over bait 8
17. Unlawful killing or possession of antlerless deer 14
18. Unlawful night hunting other game, except deer or bear, or hunting during prohibited or after hours 8
19. Unlawful possession of buckshot 5
20. Hunting migratory birds with an unplugged gun 4
21. Killing or possession of wild turkey during the closed season 18
22. Killing or possession of a hen turkey during the spring gobbler season 14
23. Roost shooting turkey between one-half hour after sunset to one-half hour before sunrise 18
24. Shooting (game taken) turkey over bait 18
25. Hunting turkey over bait (no game taken) 10
26. Trespassing to hunt waterfowl 18
27. Hunting waterfowl over bait 10
28. Shooting (game taken) waterfowl over bait 10
29. Hunting waterfowl out of season 15
30. Taking or possession of more than one waterfowl over the legal limit 15
31. Unlawful possession, taking, or attempting to take raccoons during the season for hunting without firearms 14
32. Trapping, netting, or seining game fish unlawfully 10
33. Taking game or fish in any illegal

- manner not specifically mentioned elsewhere in the point systems 8
34. Taking or possessing an undersized striped bass 14
 35. Taking or possessing more than the legal limit of striped bass 14

NOTE: Some examples of Item 33 are:

- a. Taking game while in possession of lead shot while hunting for waterfowl;
- b. Taking fish with too many devices;
- c. Killing birds of prey (Hawks, Kites, Vultures, Kestrels, Owls, or Falcons);
- d. Killing/possession of nongame birds;
- e. Taking fish while violating specific freshwater nongame fishing laws such as illegal bait on trotlines or set hooks;
- f. Taking game while jump shooting waterfowl or rails;
- g. Taking game while violating specific trapping laws such as unlawful traps.

Other less common examples are, but are not limited to, taking game while unlawfully hunting with an electronic call, killing a turkey with a rifle. The application of item 33 is very broad and examples are given for clarification.

Item 33 applies to unlawfully taking game or fish in a way that is not specifically addressed by the Game and Fish Point System.

Table B: Saltwater Points

Saltwater points are assessed in two categories: Recreational and Commercial. Upon an accumulation of eighteen (18) or more points in a category, the privileges of that category will be suspended for one year. While under Recreational Suspension, a person found guilty of a commercial saltwater violation will have all saltwater privileges suspended for one year. While under Commercial Suspension, a person found guilty of a recreational violation will have all saltwater privileges suspended for one year.

1. Failing to keep records or make reports as required by law, permit or regulation 4
2. Violations of law pertaining to crab size limit or sponge crabs 4
3. Violations of a section of Title 50 pertaining to saltwater fisheries not mentioned specifically in this section .. 6 (NOTE: This point assessment applies to all other convictions that are not specifically mentioned herein. Any conviction for a violation of a saltwater fisheries law will be assessed a minimum of 6 points).
4. Taking, attempting to take, or possessing fish, shellfish or crustaceans in an unlawful manner, in unlawful or

closed areas, during unlawful hours, or during the closed season except trawling violations	8
5. Selling or offering for sale fish, shellfish, crustaceans, or other seafood or marine products without a proper license, permit, stamp, or tag	8
6. Unlawfully buying fish, shellfish, crustaceans or other seafood or marine products without a proper license, permit, stamp or tag	8
7. Trawling inside the General Trawling Zone other than in restricted areas: (a) more than one quarter nautical mile during the closed season	10
(b) more than one quarter nautical mile at a time more than ten minutes before daily opening or ten minutes after daily closing times during the open season	10
8. Trawling in a restricted area during the closed season	10
9. Trawling outside the General Trawling Zone: (a) one hundred yards or less distance from the nearest point of the General Trawling Zone during the open season	10
(b) more than one hundred yards distance from the nearest point of the General Trawling Zone during the open season	18
(c) during the closed season	18
10. Taking or attempting to take fish, shellfish or crustaceans for a commercial purpose without a proper license, permit, stamp or tag	10
11. Captain or crew of a boat failing to cooperate with an enforcement officer	18
12. Channel netting in an area closed to channel netting or during closed season for channel netting	18
13. Applying for or obtaining any resident license as provided in this chapter using a falsified application or supporting documentation, or simultaneously possessing any current, valid South Carolina resident license as provided in this chapter while possessing any resident license from another state ..	18

Note:

****It is unlawful for a person whose commercial*

Buy it. Wear it. Zip it.

Take a **free** boating safety course
1-800-277-4301
dnr.sc.gov/boating/

*privileges are suspended under this chapter to be on board any vessel while the vessel is being utilized to take or attempt to take saltwater fish for commercial purposes****

Point System Suspensions and Appeals

Point system suspensions begin eleven (11) days after notice to the individual. A person who has been notified of a suspension may appeal the suspension to the Administrative Law Court. The request for appeals must be in writing and postmarked within ten (10) days of notification of the suspension. The appeal is limited to the accuracy of the points assessed and the identity of the violator. The Administrative Law Court cannot override a conviction and cannot allow a reduction of points unless the points are in error. To appeal a point suspension, write the S.C. Department of Natural Resources, Records and Intelligence Section, Law Enforcement Division, P.O. Box 167, Columbia, S.C., 29202 or call 803-734-4002.

Table C: Statutory Suspensions

Many laws pertaining to natural resources and boating contain mandatory suspensions. These suspensions start upon conviction and run for specified times according to law. These suspensions will affect privileges and may affect licenses, permits, stamps, tags or registrations. Examples of violations for which suspensions are mandated include, but are not limited to:

- A. Hunting from a public road 1 year;
 - B. Unlawfully taking a wild turkey .1 year;
 - C. Conspiracy to violate natural
resource laws. 1 year;
 - D. Obtaining a license, permit,
stamp, or tag by fraud. 1 year;
 - E. Altering, post dating, borrowing,
or lending a license, permit,
stamp, or tag. 1 year;
 - F. Criminal, negligent use of
a firearm 1 to 5 years;
 - G. Boating under the
influence. 6 months to 5 years;
 - H. Trawling violations. 1 year;
 - I. Killing a Bald Eagle 5 years;
 - J. Failure to pay fines or restitution . . .
. . suspended until payment is received;

- K. Third (3) offense negligent operation of a watercraft. . . . 6 months;
 - L. Bear violations 3 years;
 - M. Impeding the right to hunt, fish, or trap. 1 year;

The above listed violations are examples of statutory suspensions. Other statutory suspensions exist with time periods ranging from 10 days to ten years for certain violations and certain privileges.

Suspension Violations

Persons convicted of hunting or fishing while under suspension will have an additional three (3) to five (5) years added to the original suspension date. In addition, some suspension violations require mandatory jail terms and may affect the right to own or be in possession of a firearm. Persons whose privileges are suspended are not eligible to hold licenses, permits, stamps, or tags. Purchase or procurement of licenses, permits, stamps, or tags while under suspension is a fraudulent purchase and is punishable by a fine up to \$1,025.00 and an additional one year suspension. To find out more information on suspensions, contact the S.C. Department of Natural Resources, Records and Intelligence Section, Law Enforcement Division, P.O. Box 167, Columbia, S.C. 29202 or call 803-734-3640 or 803-734-4048.

Angler Ethics

Responsible anglers, who respect our fishery resources, comply with ethical principles when afield because they know their actions will contribute to a more pleasurable fishing experience for themselves and fellow anglers.

1. Follow all fishing and boating regulations.
 2. Limit the number of fish they kill to those to be eaten or mounted and never keep fish just to show off.
 3. Practice Catch and Release.
 4. Properly dispose of litter, garbage and fish remains in public trash containers or at their homes.
 5. Respect the rights of fellow anglers by keeping a reasonable distance from other boats and other anglers.
 6. Minimize time at ramps to allow fellow boaters equal access.
 7. Fish on private property only when they have permission from the landowner.
 8. Behave in a safe, courteous manner.

NATIONAL
HUNTING AND FISHING
DAY®

National Hunting & Fishing Day

October 4, 2008
803-734-0256

All Boats

In South Carolina, vessels may not be operated in excess of idle speed within 50 feet of an anchored vessel, wharf, pier, dock, or a person in the water. Vessels may not operate in excess of idle speed within 100 yards of the Atlantic coastline. (Sec. 50-21-870)

Equipment

Personal Flotation Devices (PFDs) - All boats must have a U.S. Coast Guard approved wearable type PFD for each person on board or being towed. Each PFD must be in good condition, readily available and the proper size for the intended wearer. In addition, boats 16 feet in length or longer must carry a Type IV throwable device. In South Carolina, any person under twelve years of age must wear a U.S. Coast Guard approved Type I, II, III, or V PFD when on board a class "A" (less than 16 ft. long) boat.

Fire Extinguisher - One Coast Guard approved hand-held portable fire extinguisher must be aboard each boat less than 26 ft. if the boat is carrying passengers for hire or if the construction permits the entrapment of flammable vapors or if it has a permanently installed gas tank, including gas tanks that use any type of fastener that would hamper the immediate removal of the tank from the boat. Additional extinguishers are required in boats larger than 26ft. Contact SCDNR for complete regulations.

Navigation Lights must be on between official sunset and sunrise.

Flares are required for vessels in coastal waters.

Bells, Whistle - All boats less than 39.4 feet must carry an efficient sound producing device. Every vessel from 39.4 to 65.6 feet must carry a whistle and a bell.

Personal Watercraft

In South Carolina, each person on a personal watercraft must wear a U.S. Coast Guard-approved Type I, II, III or V PFD.

A personal watercraft may not be operated between sunset and sunrise and must be equipped with a self-circling or lanyard-type engine cutoff switch.

When operating a personal watercraft, one may not operate in a manner so as to leave the water completely while crossing (jumping) the wake of another vessel within 200 feet of the vessel creating the wake.

Marine Events

A permit is required for any boat race or tournament. For permits or information on these and other marine events, contact: Marine Law Enforcement, P.O. Box 12559, Charleston, SC 29422, 843-953-9302.

Minimum Age of Operators

In South Carolina, boat operators under age 16 must complete a boating course approved by the SCDNR to operate a boat or personal watercraft with a 15 h.p. motor or greater, unless accompanied by an adult age eighteen years or older.

Watercraft and Outboard Motor Titling and Registration Fees	Current	Effective Dec. 16, 2008
New SC Watercraft Registration & Title	\$40.00	No Change
SC Watercraft or Outboard Motor Title	\$10.00	No Change
Renew 3 Year SC Watercraft Registration	\$30.00	No Change
Transfer SC Watercraft Registration & Title	\$16.00	No Change
Duplicate Watercraft/Outboard Motor Title	\$5.00	No Change
Duplicate Watercraft Registration Card	\$1.00	\$5.00
Duplicate Watercraft/Outboard Motor Decal	\$1.00	\$5.00
Late Fee (31-60 days)	\$15.00	No Change
Late Fee (61 or more days)	\$15.00	\$30.00

Important for Watercraft/Outboard Motor Owners to Notify SCDNR When...	Change of Address	15 days	30 Days
Change of Ownership (Sale, disposal, etc)		15 days	30 Days
Report Stolen Watercraft/Outboard Motor		Immediately	No Change

Reporting Boating Accidents

The operator of every vessel involved in a boating accident shall report to the DNR whenever the accident results in loss of life, loss of consciousness, medical treatment or disability in excess of 24 hours, or property damage. For more information, call 843-953-9302.

Restrictions

Airboats are prohibited on public waters of this state from the freshwater-saltwater dividing line seaward, and on that portion of Lake Marion and Santee Swamp west of the I-95 bridge upstream, to the confluence of the Congaree and Wateree rivers during the season for hunting waterfowl.

Boating Education and Information

For boating class schedules or additional information on subjects covered in this section, see page 9 or contact: SCDNR, Boating Safety & Education, P.O. Box 12559, Charleston, SC 29422, 843-953-9302, in Columbia call 803-734-3995, statewide 800-277-4301 or visit dnr.sc.gov/education.html.

See page 10

Vessel Sewage Regulations

It is illegal:

- To have a toilet installed aboard your boat without a marine sanitation device.
- For any boat used for habitation moored at a private dock to discharge raw or treated sewage.
- For houseboats to discharge treated or raw sewage in freshwater.
- For any vessel to discharge in a No Discharge Zone.

Designated No Discharge Zones

- | | |
|------------------------------------|-----------------|
| • Broad Creek (Hilton Head Island) | • Lake Keowee |
| • Lake Hartwell | • Lake Thurmond |
| • Lake Murray | • Lake Wylie |

Property Taxes - The bill of sale or title to any watercraft or outboard motor shall require certification that personal property taxes have been paid by the titled owner as of the date of sale. Check the status of South Carolina titled watercraft and outboard motors at dnr.sc.gov/boating under "SC Boat Facts" before you buy.

Registration - Watercraft propelled by any mechanized means must be registered in addition to being titled in the owner's name.

Stolen Watercraft/Outboard Motors - The owner of a watercraft or outboard motor which has been stolen should immediately contact SCDNR Marine Investigations at 803-734-3856 to receive a Theft Report form. Forms can also be found at dnr.sc.gov/boating in the Forms section.

Titling - Titles are valid until the watercraft or outboard motor is sold, traded or exchanged. The seller of used watercraft or outboard motors in South Carolina must produce a South Carolina Certificate of Title in his/her name at the time of sale. All **sail-boats** must be titled. All **outboard motors** 5 horsepower and greater must be titled. All **watercraft** must be titled except: documented vessels, windsurfers, and those propelled by human power with oars, paddles or similar devices.

Mailing Address - SCDNR Watercraft Section, P.O. Box 167, Columbia, SC 29202-0167.

What Can You Do?

To prevent the possible dangers that sewage can cause to humans and the environment, boaters should: use portable toilets, utilize onshore or floating restrooms, or have a Marine Sanitation Device installed on board and use a pumpout at a local marina.

For more information, contact Scott Meister at SC-CVA@dnr.sc.gov, 843-953-6686 or visit dnr.sc.gov/cleanvessel/.

Regulations

Methods and Devices

- Game fish may be caught with only hook and line, fly rod, casting rod, pole and line or hand line. Not more than 2 of these devices may be used by any fisherman at the same time, except when fishing in a boat. An unlimited number of lawful fishing devices may be used if every boat occupant (who would normally be required to have a fishing license) possesses a valid fishing license.
 - Bows and arrows for taking nongame fish only and cast nets for catching nongame bait fish may be in possession while fishing for game fish. Possession of cast nets is prohibited in Game Zone 1 except on Lake Keowee, Hartwell and Twelve Mile Creek.
 - Game fish may be used as bait to catch fish but must be included in daily bag limit.
- Seasons** - No closed freshwater game fish season except in the following areas:
- All watercraft and fishing are prohibited Nov. 1 through Feb. 28 on Cane Bay, Black Bottom and Savannah Branch in Lake Marion.
 - Portions of Howard, Corbin and Devil's Fork Creeks in Oconee County are closed to fishing from Nov. 1--Mar. 30, and a portion of Thompson River in Oconee County is closed to fishing from Nov. 1--Mar. 30. Closed sections will be marked with signs.
 - Hatchery WMA on Lake Moultrie is closed to fishing each Sat. until 12:00 noon and all day the last Sat. of the waterfowl season.
- Prohibited Practices**
- Game or nongame fish may not be attracted or taken by explosives, electrical devices, poison or similar means.

Selling and Importing

- No freshwater game fish may be sold in this state except: 1) DNR permitted aquaculturist. 2) DNR wholesale aquaculture license. 3) DNR aquaculture game fish retail license. 4) Private pond owner selling less than \$2,500 in product annually.
- It is illegal to possess, import or sell any fish species that is not native to SC waters without a SCDNR permit.
- Sterile grass carp must be sold, purchased or possessed by SCDNR permitted vendors only.

Game Fish

- A total of 40 game fish may be kept in any one day. This total shall not exceed more than the limits or exceptions listed below.
- Special limits and regulations apply to DNR managed lakes. See chart on page 18.
- Check with State Parks, City Reservoirs or County Parks for special limits and regulations that apply to those areas.

Blue Catfish

No more than one blue catfish over 36-inches can be taken from Lakes Marion and Moultrie per person in one day.

Black bass (Largemouth, Smallmouth, Redeye & Spotted)

Limit: 10 fish combined total per day, except Slade's Lake, total of not more than 2 largemouth bass per day and not more than 15 fish combined total per day. It is illegal to harvest largemouth bass in Lake Wallace, Marlboro County.

Size: 12-inch minimum for largemouth bass on Slade's Lake, Lakes Wylie, Marion, Moultrie, and the Georgia waters of the Savannah River and all its reservoirs.

Striped bass and/or hybrids

Limit: 10 fish per day (See exceptions.)

Size limit & exceptions:

- The Saluda River from Lake Greenwood Dam downstream to the Lake Murray Dam - 5 fish per day and 21-inch minimum size limit. In Lake Murray during July and August, two of the five striped bass creel limit may be less than 21 inches.
- The Lower Santee River System and the Cooper River system - From June 1 through September 30 no possession of striped bass. From October 1 through May 31 three (3) fish per day and 26 inch minimum size. All stripers must be landed with the head and tailfin intact. The 'Lower Santee River system' includes all waters and tributaries seaward of the Lake Murray Dam, the Columbia Canal Diversion Dam, and the Lake Wateree Dam to the freshwater/saltwater dividing line on the North Santee River and the South Santee River. This includes Lakes Marion and Moultrie, and the Diversion and Re-diversion Canals. The Cooper River system includes all waters and tributaries, including the Tailrace Canal, of the Cooper River from its point of origin seaward to the freshwater/saltwater dividing line.

- In the Savannah River and its tributaries and distributaries and the lands immediately adjacent to them from the J. Strom Thurmond Lake dam downstream to the mouth of the Savannah River. Defined by a line from Jones Island, S.C. (also known as Oysterbed Island) point at N. 32° 02' W. 80° 53'; across Cockspur Island, "Georgia", point at N. 32° 01' W. 80° 52' to Lazaretto Creek, Georgia, point at 32° 01' W. 80° 52'. - Unlawful to possess more than 2 striped bass, striped bass hybrids, white bass, or any combination of these species. Any lawfully possessed fish of each of these species must be a minimum of 27 inches.

Cold water trout

Limit: 10 fish per day, 10 in possession. (See exceptions.)

Exceptions:

- Saluda River - not more than five trout may be taken in any one day from that portion of the lower Saluda River between the Lake Murray Dam and the confluence of the Broad River.

- Chattooga River (SC Hwy 28 upstream to Reid Creek), and Cheohee Creek (SC Forestry Commission property) - 0 trout per day, 0 in possession (catch and release only) from Nov. 1 through May 14.

- Chattooga River (except SC Hwy 28 upstream to Reid Creek), Lakes Tugaloo, Yonah and Hartwell, Lake Hartwell Tailwater and Lake Russell - 8 trout per day, 8 in possession.

- Whitewater River in Oconee County, Eastatoe River (Heritage Preserve lands) in Pickens County, Middle Saluda River (lower foot bridge at Jones Gap Park upstream to Hwy 276), and Matthews Creek (upstream of Caesar's Head State Park) in Greenville County - 7 trout per day, 7 in possession.

- Middle Saluda River (Hugh Smith Road upstream to lower foot bridge at Jones Gap State Park) - 0 trout per day, 0 in possession (catch and release year round).

- Lake Jocassee - 5 trout per day, 5 in possession.
Size limit & exceptions: No size limit, except Lake Jocassee, 15-inch minimum.

Bait/tackle restrictions:

- Artificial lures and bait can be used when fishing for trout. (See exceptions.)

Bait/tackle exceptions:

- Matthews Creek (from lower boundary of Caesar's Head State Park) and Middle Saluda River (Jones Gap State Park lower foot bridge to Hwy 276) in Greenville County, Eastatoe River (Heritage Preserve lands) in Pickens County and Whitewater River in Oconee County - Artificial lures only.

- Lake Jocassee - It is unlawful to fish with corn, cheese, fish eggs or imitations of them as bait on Lake Jocassee.

- Chattooga River from SC 28 upstream to Reid (Big) Creek and Cheohee Creek within the property boundary of Piedmont Forestry Center (as posted) between Nov. 1 and May 14, only artificial lures with single hook may be used.

- Middle Saluda River (Hugh Smith Rd. to the lower foot bridge at Jones Gap State Park), artificial lures with single hook (no treble hooks).

Seasons:

- Cold water trout can be fished for year-round. (See exceptions.)

Season exceptions:

- Howard Creek (from Corbin Creek upstream to Limberpole Creek), Corbin Creek (from Howard Creek upstream to SC 130), and Devils Fork Creek in Oconee County are closed to fishing from Nov. 1 through Mar. 30.

- Chattooga River from SC 28 upstream to Reid (Big) Creek and Cheohee Creek within the property boundary of Piedmont Forestry Center (as posted). All coldwater trout caught

between Nov. 1 and May 14 must be released and cannot be harvested.

- Middle Saluda River (catch and release area) open for fishing only on Mon., Wed., and Sat. during daylight hours with a special daily permit obtained on-site.
- Cheohee Creek (Forestry Center lands) open to fishing only on Mon., Wed., and Sat. from November 1 through May 14 and June 15 through June 22 of each year during daylight hours.

Crappie, bream (including blue-gill, flier, redbreast, warmouth, pumpkinseed and redear, longear and spotted sunfish), white bass, chain pickerel or jackfish, redfin pike, yellow perch, walleye and sauger

Limit: 30 fish per day. (See exceptions.)

Exceptions:

- Walleye and sauger - 8 fish per day on Lakes Tugaloo, Yonah, Hartwell, Russell, Thurmond and the Chattooga River.

Freshwater/Saltwater Dividing Line

www.dnr.sc.gov/marine/dividingline.html

The dividing line between saltwater and freshwater on the rivers listed is defined in this section, and all waters of the rivers and their tributaries, streams, and estuaries lying seaward of the dividing lines are considered saltwaters, and all waters lying landward or upstream from all dividing lines are considered freshwaters for purposes of licensing and regulating commercial and recreational fishing. Except as otherwise provided below, the saltwater/freshwater dividing line is U.S. Hwy. 17:

- 1) On Savannah River the dividing line is the abandoned Seaboard Railroad track bed located approximately one and three-fourths miles upstream from the U.S. Hwy. 17A bridge.
- 2) Wright River is salt water for its entire length.
- 3) On Ashepoo River the dividing line is the old Seaboard Railroad track bed.
- 4) On New River the dividing line is at Cook's Landing.
- 5) Wallace River, Rantowles Creek, Long Branch Creek, and Shem Creek are saltwater for their entire lengths.
- 6) On Edisto River the dividing line is the abandoned Seaboard Railroad track bed near Matthews Canal Cut.
- 7) On Ashley River the dividing line is the confluence of Popper Dam Creek directly across from Magnolia Gardens.
- 8) On Cooper River the dividing line is the seaward shoreline of Old Back River at the confluence of Old Back River downstream from Bushy Park Reservoir.
- 9) Wando River is saltwater for its entire length.
- 10) On the Intracoastal Waterway in Horry County the dividing line is the bridge across the Intracoastal Waterway at the intersection of S.C. Hwy. 9 and U.S. Hwy. 17.

* The days each impoundment is open can change. Contact your nearest SCDNR office to determine the open days of an individual lake.

** Webb Center and Bonneau Ferry Lakes are closed on deer hunting days. Bonneau Ferry closed Saturdays in April until 11:00 AM.

*** Combined daily creel limits from all ponds. Adult/youth fishing only on Bonneau Ferry. Each youth must be accompanied by no more than two adults 18 years of age or older.

Nongame Freshwater Fishing

General Information

Nongame fishing permits and tags may be purchased from SCDNR only. Applications may be obtained at www.dnr.sc.gov or by calling 803-734-3833.

Nongame fishing permits and tags are required, in addition to a valid South Carolina state fishing license (also applies to youth under 16), to use the following devices for recreational purposes: up to 3 trotlines with not more than 150 hooks, 3 to 50 set hooks, 3 to 50 jugs, up to 2 traps, 1 hoop net, 1 gill net no more than 200 yards in length or 5 gill nets, none of which exceed 30 yards in length, 1 skimbow net, 1 seine, 1 minnow seine, or up to 2 eel pots.

This requirement applies to all freshwaters of the state inland of the saltwater-freshwater dividing lines, except privately-owned ponds.

Nongame fishing devices are not allowed in certain waters. The maximum number of devices allowed per area is shown in the Areas & Limits Section on page 21.

A tag must be attached to the device for which it was issued, and each permit and tag identification receipt must be in the licensee's possession while engaging in the activity.

Game fish must be immediately released if caught by net or trap or any other device used for catching nongame fish.

Commercial Fishing

A commercial freshwater fishing license must be in possession to take catfish by any method from public waters and sell or offer for sale such catfish, and/or fish with the following nongame fishing devices: 2 or more gill nets (or 5 gill nets not more than 30 ft. in length), 2 or more hoop nets, 3 or more traps, trotlines with a combined total of 151 hooks or more, or 3 or more eel pots.

All persons involved in commercial catfish fishing must have a commercial freshwater fishing license if they participate in any way in the actual fishing operation. This includes, but is not limited to, operating a boat, baiting hooks, removing fish from lines, traps or nets. No more than one blue catfish over 36-inches can be taken from Lakes Marion and Moultrie in one day.

To qualify for a resident commercial freshwater fishing license, one must have been a resident of this state for the past 12 consecutive months and furnish proof to the SCDNR.

Shad/Herring

To take shad for recreational purposes by hook and line, cast net, or skim bow net in freshwaters a person must have a freshwater fishing license. For other allowances and restrictions, see page 25. Commercial fishing for shad and herring in freshwaters, including for sale as bait and by use

of gill nets, is regulated under saltwater fisheries laws regardless of location within the state (Sec. 50-5-1500 and 50-5-1550). Contact the Charleston License office at 803-953-9301 for commercial and gill net information.

Nongame Freshwater Fishing Methods & Devices

Some devices are not permitted on certain waters. See Area & Limits on page 21 for devices and limits allowed in each area.

Set Hooks

Description: A single hook and line attached to bushes, limbs, poles, sticks or similar structures.

Permits/Regulations: A permit is required to fish 3 to 50 hooks (50 hook limit).

Persons 65 years or older or under age 16 are not required to purchase a Set Hook Permit, but a label with their name, address and age must be attached to each set hook. A fishing license is required. A permit is not required for 2 set hooks with a valid state fishing license.

Hours/Seasons: Must be removed prior to one hour after official sunrise each day and cannot be reattached prior to one hour before official sunset.

Jugs

Description: A single hook and line attached to a free-floating device with a minimum capacity of one pint and a maximum of one gallon. May not have more than one line.

Permits/Regulations: A permit is required to fish 3 to 50 jugs (50 jug limit). Licensee's name and address must be clearly marked on each jug. Jug fishing is legal only in Lakes Greenwood, Secession, Richard B. Russell, Thurmond, and Stevens Creek. *A permit is not required for 2 jugs with a valid state fishing license. A jug permit is not required for residents assisting jug permit holders.*

Hours/Seasons: Must be removed from the water before one hour after official sunrise each day and not replaced prior to one hour before official sunset.

Trotlines

Description: 2 or more hooks attached to a line which is rigged horizontally and marked with a white or yellow floating marker (See Markers and Identification on page 20). Stainless steel hooks are prohibited statewide. *Hooks used in Lakes Marion and Moultrie ONLY must measure 7/16 inch or less between point and shank.*

Permits/Regulations: A tag is required for each trotline with up to 50 hooks. Trotlines with more than 50 hooks require a tag for every 50 hooks or less. No trotline shall be attached in any manner

to another trotline or to the support or float of another trotline. No trotlines allowed within 100 feet of the mouth of any tributary stream.

Hours/Seasons: Trotlines must be inspected and fish removed at least every 24 hours. From Apr. 1 to Oct. 1, no trotline is permitted in any waters from one hour after official sunrise to one hour before official sunset, unless the trotline is sunk to the bottom or a minimum depth of four feet below the surface. From Oct. 2 to Mar. 31, trotlines may be left in the water 24 hours per day at any depth.

Traps & Eel Pots

Description: A device (as described below and on the following page) marked with a white or yellow floating marker (See Markers and Identification on page 20).

Permits/Regulations: A tag is required for each trap or eel pot. A permit is required for the harvest of eels in both freshwater and saltwater. Traps and eel pots may be suspended in water at a depth which does not create a hazard to watercraft. No trap or eel pot shall be placed within 100 feet of the mouth of any tributary stream. No crab pot or trap of like design may be used in the fresh waters of this state.

Hours/seasons: No closed season.

Trap Type 1 - The trap may be made of wire or textile material and be cylindrical in shape of a length not more than 6 feet and a width of not more than 3 feet. The mesh shall not be smaller than 1 inch by 1 inch, and there shall be only one application of exterior wire to the trap. The muzzle shall have one of the following designs: A trap door on the second muzzle or catch muzzle which remains in a closed position and which only opens for the entry of fish into the trap; or constructed of netting so that the opening of the small end of the second muzzle or catch muzzle is held in the shape of a slit and the trap configuration constructed such that as the trap rests on the bottom, the slit shall be oriented horizontally with the greatest vertical opening being no greater than 1 inch.

Trap Type 2 - The trap may be made of wood strips or slats and be cylindrical or rectangular in shape. The length shall not exceed 6 feet, and the width or diameter shall not exceed 2 feet. The throat opening of the catch muzzle in a resting position shall not exceed 3 inches measured in any direction. The sides, top and rear of the trap shall have a minimum of one inch opening between the slats to allow for the escape of small catfish. This shall apply only to the last 12 inches of the trap.

Eel pot - Pots no larger than 24 inches by 48 inches and constructed of wire with a mesh size no smaller than 1/2 by 1/2 inch, except for the throat or muzzle and the end opposite the throat or muzzle. The throat opening shall not exceed 2 inches measured in any direction.

Hoop Nets

Description: Nets made of textile netting (no wire) of a mesh size between 1 and 2 inches square enclosing a series of round hoops with two or more muzzle openings made of a netting material. The maximum size net allowed is 16 feet by 5 1/2 feet.

Permits/Regulations: Hoop nets must rest on the bottom and cannot be placed within 100 feet of the mouth of any tributary stream.

Hours/Seasons: No closed season.

Gill Nets

Description: Nets with a mesh size greater than 4 1/2 inches stretch mesh. The maximum length is 200 yards and no net, cable, line or other device used for support of the gill net can extend more than halfway across the stream or body of water. Nets must be marked with a white or yellow floating marker (See Markers and Identification).

Permits/Regulations: Gill nets shall be placed on a first-come basis, and no net can be placed within 200 yards of another gill net.

Hours/Seasons: The season for taking nongame fish other than shad and herring is Nov. 1 to Mar. 1 (where authorized) on Wednesdays, Thursdays, Fridays and Saturdays only. Fishing time begins at 12:01 am on Wednesday, and ends at midnight on Saturday.

Other Devices

Descriptions: Devices described in this section may be used in any body of fresh water including tributaries of rivers or creeks except in prohibited areas. A state fishing license is required (Lakes & Reservoir Permits are not valid). Tags are not required.

- **Bows and Arrows, Spears, Gigs & Cast Nets:**
- **Skimbow Net** - A hand-operated dip net with the bow constructed of wood or metal with wire or textile netting with a mesh size not greater than 1 1/2 inches square. The bow shall not exceed 6 feet in any direction and may be used only from February through April 30 for shad or herring.
- **Minnow Seine** - Must not be greater than four feet in width by 20 feet in length with a mesh size of not more than 1/4 inch square mesh. It is unlawful to have in possession a minnow seine from 10 PM to official sunrise.
- **Tires** - Must not exceed 20-inch rim. Rules and regulations of power companies may not allow for the placing of tires.

• **Seine** - A net having a stretch mesh of not less than 1 inch and not more than 1 1/2 inches which does not exceed 75 feet in length or 6 feet in depth. It shall be unlawful to anchor a seine and leave it unattended.

Markers and Identification

Trotlines, traps, eel pots and gill nets must be

marked with a floating marker with a minimum capacity of one pint and a maximum capacity of one gallon or equivalent size and must be made of solid, buoyant material which does not sink if punctured or cracked. The floating markers must be constructed of plastic, PVC Spongex, plastic foam or cork. No hollow buoys or floats including plastic, metal or glass bottles or jugs may be used except manufactured buoys or floats specifically designed for use with nongame fishing devices; these may be hollow if constructed of heavy duty plastic material and approved by the SCDNR. The floating markers must be colored white when used the 1st through the 15th of the month and yellow when used the remainder of the month. The owner's name and address must be marked clearly on each floating marker.

Hoop Nets set on the Congaree River from the I-77 Bridge to the confluence of the Congaree and Wateree rivers must also be marked with the same floating markers as listed above.

Bait

No game fish, live bait or any bait other than bait listed below shall be used with trotlines, set hooks and jugs: soap, doughballs, cut fish (non-game fish cut into at least three equal parts), shrimp, grapes or meat scraps (shall not include insects, worms and other invertebrates).

On the Edisto, Black, Sampit, Big Pee Dee, Little Pee Dee, Lumber and Waccamaw rivers, live nongame fish and bream may be used with single-barbed set hooks and trotlines that have a shank-to-point gap of one and three-sixteenths inches or greater.

On the Black, Big Pee Dee, Little Pee Dee, Lumber and Waccamaw rivers, live nongame fish and bream may be used on trotlines having not more than 20 hooks with a shank-to-point gap of one and three-sixteenths inches.

Game fish used as bait must be included in daily creel limit, 30 bream per day (see pg. 18).

There are no restrictions on the type of bait permissible in traps or eel pots except that no game fish or parts thereof shall be used as bait.

Prohibited Areas

No nongame fishing devices of any kind may be used in SCDNR-managed lakes (as listed on page 18), or waters within Game Zone 1, except in Lakes Hartwell and Keowee and Twelve-Mile Creek.

Prohibited Practices

Possession or use on the freshwaters of this state of any device or gear designed or used to catch nongame fish not authorized by law is prohibited.

Possession of game fish or tackle designed to catch game fish is prohibited while fishing traps, trotlines, or other nongame fish devices except cast nets and bows and arrows.

It is unlawful for any person to tamper with, fish, or use in any manner the nongame fishing device or gear owned and tagged by another person, or to take from any such device or gear, any fish caught thereon. No fishing device shall be used, placed, set or fished so as to create a hazard to boating.

No trotlines, traps or eel pots shall be placed within 200 yards of any permanent man-made structure on Lakes Marion and Moultrie nor placed anywhere in the Diversion Canal connecting Lakes Marion and Moultrie, the Tailrace Canal nor the area known as the Borrow Pit (also known as "Bar Pit") in Clarendon County.

Penalties

The boat, motor, fishing gear and fish of any person who is charged with unlawfully fishing, using or having in possession a gill net or hoop net on any freshwater lake or reservoir shall be confiscated.

Any person who tampers with any non-game fishing device with intent to damage or to make it ineffective for the purpose of taking fish shall be fined not less than \$100 nor more than \$200 or imprisoned for not more than 30 days, and for stealing a device or fish caught in the device shall be fined not less than \$500 nor more than \$1,000 or imprisoned for not more than 6 months or both.

Upon the conviction of any commercial freshwater fisherman of illegal possession of game fish or the sale or traffic in game fish, SCDNR shall suspend such person's license or privilege to fish in this state for a period of one year.

Updated regulations and information are provided when nongame fish tags or permits are issued. Tags, permits and commercial freshwater fishing licenses are available by visiting any Regional DNR Office (see page 61 for locations), through the internet at dnr.sc.gov, by writing to: SCDNR-License Section, PO Box 167, Columbia, SC 29202-0167 or calling 803-734-3833. Nongame fish tags are issued at each Regional DNR office. Tags purchased through the internet or by mail are mailed from the Columbia office and the privilege is not valid until the tag is received by the licensee.

**Free Fishing Days
June 6 & 7, 2009
(For residents only, as
specified in 50-9-730.)**

Nongame gill nets in season

Set hooks-50

Eel pots-No limit below junction of Big Bull Creek

Warrior Creek: Laurens County:

Seines-1

Wateree River:

Traps-50*

Set hooks-50

Trotlines-2000 hooks total*

Hoop nets-50 w/commercial license

General Information

The following laws pertain mainly to noncommercial saltwater fishing, shrimping, crabbing and shellfishing for personal consumption.

Individuals (age 16 and older) harvesting oysters or clams or individuals fishing for marine finfish from privately-owned boats or when transporting catch in privately-owned boats must purchase an annual or temporary Saltwater Recreational Fisheries License.

Fishing piers and chartered vessels charging a fee for fishing and those offering fishing boats for rent must purchase a Marine Recreational Fisheries license annually. Applications for Pier and Charter Vessel Licenses are available from the DNR office in Charleston.

Any person engaged in selling any fish or fishery product, including bait, must first obtain a license from the Marine Resources Division. Regulations concerning commercial saltwater fishing are provided with commercial licenses and are available through Marine Resources Division at the address below.

For more information contact: SCDNR, Marine Resources Division, P.O. Box 12559, Charleston, SC 29422, 843-953-9300, www.dnr.sc.gov.

For federal fishery limits and regulations, contact: South Atlantic Fishery Management Council, 4055 Faber Place Drive, Suite 201, North Charleston, SC 29405, 843-571-4366, www.safmc.net.

Annual License Fees

Saltwater Recreational Fisheries License	
Annual Resident License	\$10
Annual Non-Resident License	\$35
Temporary Resident License (14 days) ..	\$5
Temporary Non-Resident License (14 days)	\$11
Shrimp Baiting License	
Resident License.....	\$25
Non-Resident License	\$500
Commercial Pier License (>100 feet) ..	\$350
Commercial Pier License (<=100 feet) ..	\$150
Charter Vessel License (6 or less passengers).....	\$150
(7-49 passengers)	\$250
(50 or more passengers)	\$350
Rental Boat License	\$40

Saltwater Fishing Methods & Devices

Hook and Line

Permits/License: Saltwater Recreational Fisheries License required when fishing from privately-owned boats or when transporting catch in privately-owned boats. Federal Highly Migratory Species Permit required when fishing for tuna, billfish and swordfish in federal waters

and for possession of these species in state waters. For sharks, a federal permit is required only when fishing in federal waters.

Seasons: No closed season.

Restrictions:

- It is unlawful to fish from a boat within 300 feet of commercial fishing piers extending into the Atlantic Ocean.
- Fishing from the shore in the waters under or within 50 feet on either side or beyond the end of any ocean fishing pier in Horry County is prohibited.

Gigging

Permits/Licenses: Saltwater Recreational Fishing License.

Restrictions:

- It is unlawful to gig red drum or spotted seatrout during Dec., Jan. and Feb.
- It is unlawful in Georgetown County to gig for fish in saltwaters from the northern tip of North Island to the northern tip of Magnolia Beach during daylight hours.

Bangsticks

- It is unlawful to take, have in one's possession or to land or sell any species of fish taken by means of a bangstick or similar device.

Cast Nets (Other than Shrimp)

Permits/Licenses: Saltwater Recreational Fisheries License.

Seines & Gill Nets

(Anchor, Set, Stake & Drift Nets)

Permits/Licenses:

- Gill nets, haul seines (except shrimp seines under 40 ft. or less), \$10 for each 100 net ft. or fraction thereof.
- Powerboats transporting nets or other commercial fishing equipment must have vessel decals.

Seasons: No closed season in saltwater (except shad, sturgeon and herring).

Restrictions:

- Red drum and spotted seatrout may not be taken by nets. Sharks may not be taken by gill nets.
- Gill nets no longer than 100 feet with a 3-inch minimum stretched mesh size may be used only in unrestricted areas of the Atlantic Ocean. Gill nets no longer than 100 yards with 3-inch minimum stretched mesh size may be used only in special designated inshore areas.
- Gill nets must be marked with one end buoy that is international orange in color with the name and address of owner. Operator must be within 500 feet of the net and have visual contact with the net at all times when deployed.
- Nets may not be set more than halfway across any waterway at any time.
- Stationary or fixed nets, including gill nets, may not be set or placed within 600 feet of a

net previously set.

- Gill net users must be within 500 feet or hailing distance of the net at all times.
- It is unlawful to use any seine or gill net in any waters within a state park; except, small hand seines and cast nets for taking shrimp are allowed.

Size & Catch Limits for Saltwater Fish

TL=Total Length, FL=Fork Length;

AIW=Atlantic Intracoastal Waterway;

State Waters extend from the saltwater-freshwater dividing line to the 3-mile limit.

Federal Waters extend from the 3-mile limit to 200 miles offshore (international waters).

All species in this section must be landed with head and tail intact.

Sport Fish

Red Drum (Channel Bass/Spottail)

Limit: 3 per person per day (state waters), 0 per person per day (federal waters)

Size: 15-inch minimum (TL) and 23-inch maximum (TL) (state waters)

Seasons/Restrictions:

- May be taken only by rod & reel year-round or by gigging March through November.
- May not be harvested from federal waters. South Carolina native caught fish may not be sold (state waters).

Spotted Seatrout

Limit: 10 per person per day (state waters)

Size: 14-inch minimum (TL) (state waters)

Seasons/Restrictions:

- May be taken only by rod & reel year-round or by gigging March through November.
- South Carolina native caught fish may not be sold (state waters).

Flounders (Southern, Summer & Gulf)

Limit: Rod & reel or gigging only - 20 per person per day, not to exceed 40 per boat per day (state waters)

Size: 14-inch minimum (TL) (state waters)

Seasons/Restrictions:

- Size limits apply to both recreational & commercial fishing.

Striped Bass, Hybrid Bass, and Combinations

Limit: 10 per person per day except 2 per day in Savannah river saltwaters. See page 17.

Size: None in saltwaters, except 27-inch (TL) minimum in Savannah River saltwaters. See page 17.

Seasons/Restrictions:

- May be taken only by rod & reel year-round & may not be sold (state waters).

Bluefish

Limit: 15 per person per day (all waters)

Size: No size limit

Seasons/Restrictions: No closed season

King Mackerel

Limit: 3 per person per day (all waters)

Size: 24-inch minimum (FL) (all waters)

Seasons/Restrictions:

- March 1 to February 28, fishery may be closed to all harvest if total allowable catch is exceeded (state & federal waters).

Spanish Mackerel

Limit: 15 per person per day (all waters)

Size: 12-inch minimum (FL) (all waters)

Seasons/Restrictions:

- March 1 to February 28, fishery may be closed to all harvest if total allowable catch is exceeded (state & federal waters).

Cobia

Limit: 2 per person per day (all waters)

Size: 33-inch minimum (FL) (all waters)

Seasons/Restrictions:

- No closed season

Tarpon

Limit: 1 per person per day (state waters)

Size: No size limit

Seasons/Restrictions:

- May be taken only by rod & reel & may not be sold.

Greater Amberjack

Limit: 1 per person per day (all waters)

In April, 1 per vessel per trip

Size: 28-inch minimum (FL) (all waters)

Seasons/Restrictions:

- Commercial harvest restrictions during April. Prohibits sale of fish harvested under bag limit when season is closed.

Sheepshead, Spadefish

Catch Limit: No more than 20 per person per day in aggregate with the snapper grouper complex species listed on this page.

Seasons/Restrictions: No closed season

Dolphin

Limits: 10 per person or 60 per boat per day (all waters); headboats have no boat limit.

Size: No size limit

Seasons/Restrictions: No closed season

Wahoo

Limits: 2 per person per day

Size: No size limit

Seasons/Restrictions: No closed season

Black Drum

Limit: 5 per person per day (state waters)

Size: 14-inch minimum (TL) and 27-inch maximum (TL) (state waters)

Seasons/Restrictions: No closed season

Weakfish

Limit: 10 per person per day (state waters)

Size: 12-inch minimum (TL) (state waters)

Seasons/Restrictions: No closed season

Hardhead Catfish and Gafftopsail Catfish (Saltwater Catfish)

Limit: Possession is prohibited.

Seasons/Restrictions: No open season. If caught, must be released immediately.

Atlantic Tunas**Yellowfin Tuna**

Limit: 3 per person per day.

Size: 27-inch minimum (FL)

Seasons/Restrictions:

- Federal Permit required.

Bigeye, Bluefin TunaLimits: Check current Federal Regulations by calling 1-888-USA-TUNA (1-888-872-8862) or checking www.nmfspermits.com.

Size: 27-inch minimum (FL)

Seasons/Restrictions:

- Check current Federal Regulations by calling 1-888-USA-TUNA (1-888-872-8862) or checking www.nmfspermits.com.

- Federal Permit required.

Albacore, Skipjack

Limit: None

Size: No size limit

Seasons/Restrictions:

- Federal Permit required.

Porgies & Snappers**Red Porgy****Seasons/Restrictions:**

- 3 per person per day.
- 14-inch minimum (TL).

Vermilion Snapper

Limit: 10 per person per day (all waters)

(recreational)

Size: 12-inch minimum (TL) recreational and commercial size limit

Seasons/Restrictions:

- No closed season

Other Snappers**(Excluding Vermilion)**

Red Snapper	20-inch minimum (TL) No closed season
-------------	--

Lane Snapper	8-inch minimum (TL) No closed season
--------------	---

Black Snapper	No size limit No closed season
---------------	-----------------------------------

Blackfin, Cubera, Dog, Yellowtail, Gray, Mahogany, Silk, Schoolmaster & Queen Snapper	12-inch minimum (TL) No closed season
---	--

Mutton Snapper

16-inch minimum (TL)

No closed season

Limit:

• 10 per person per day from this group (including all snapper species except Vermilion), and no more than 2 Red Snapper may be included in the total (state & federal waters).

Hogfish

Limit: None

Size: 12-inch minimum (FL) (all waters)

Seasons/Restrictions:

- No closed season

Sea Bass, Grouper & Tilefish**Black Seabass**

Limit: 15 per person per day (recreational; all waters)

Size: 12-inch minimum (TL) (recreational; all waters); 10-inch minimum (TL) (commercial; all waters)

Seasons/Restrictions:

- Open unless total allowable catch is exceeded.

Grouper, Tilefish Combinations

Gag & Black 24-inch minimum (TL)

Grouper

Scamp, Red, 20-inch minimum (TL)

Yellowfin &

Yellowmouth Groupers

Snowy Grouper

Yellowedge Grouper

Golden Tilefish No size limit

Sand Tilefish

Blueline Tilefish

Limits:

- 5 per person per day from this group; no more than 2 Gag or Black Groupers or more than 1 Snowy Grouper or Golden Tilefish may be included in this total (state & federal waters).

Restrictions:

- No closed season

Warsaw, Speckled Hind**Groupers**

Limit: 1 warsaw and 1 speckled hind per vessel per trip

Size: No size limit

Seasons/Restrictions:

- No closed season

Nassau Grouper, Goliath

Limit: Possession is prohibited

Seasons/Restrictions:

- No open season

All Other Snapper Grouper Complex Species Combined

Species: Including but not limited to: Gray, Queen and Ocean Triggerfish; Whitebone, Knobbed, Jolthead, Saucereye, Grass and

Longspine Porgies; Scup, Sheepshead, Almaco, Bar, Crevalle and Yellow Jacks; Lesser Amberjack; Banded Rudderfish; Bluestripe, White, Smallmouth, French and Spanish grunts; Black Margate; Margate; Porkfish; Cottonwick; Sailors Choice; Spadefish; Puddingwife; Bank Sea Bass; Rock Sea Bass

Limit: 20 per person per day from this group

Size: No size limit

Seasons/Restrictions:

- Bluerunners and tomtates are excluded from the bag limit.
- No closed season.

Sharks

Permits/Licenses: Federal Highly Migratory Species Permit required in federal waters.

Seasons/Restrictions: All sharks must be landed with fins, head, and tail naturally attached.

Dogfish (Spiny & Smooth)

Limit: None (all waters)

Size: No size limit

Atlantic Sharpnose

Limit: 1 per person per day (federal waters)

2 per person per day (state waters)

Size: No size limit

Bonnethead

Limit: 1 per person per day (all waters)

Size: No size limit

Blacktip, Spinner, Bull, Tiger, Lemon, Nurse, Scalloped Hammerhead, Great Hammerhead, Smooth Hammerhead, Blacknose, Finetooth, Shortfin Mako, Thresher, Porbeagle, Oceanic Whitetip and Blue Sharks

Limit: 1 shark per boat per trip from this group.

Size: 54-inch minimum (FL)

Sand Tiger, Bigeye Sand Tiger, Whale, Basking, White, Dusky, Bignose, Galapagos, Night, Caribbean Reef, Narrowtooth, Caribbean Sharpnose, Smalltail, Atlantic Angel, Longfin Mako, Bigeye Thresher, Sevengill, Sixgill and Bigeye Sixgill, Sandbar (outside of commercial shark research fishery), and Silky Sharks.

Limit: Possession is prohibited

Seasons/Restrictions:

- No open season. Sharks from this group may not be kept. If caught, sharks from this group must be released immediately.

Special Information

Special Management Zones - The following Artificial Reefs have been declared "Special Management Zones" and are protected by federal regulations: *BP-25, Beaufort 45, Betsy Ross, Bill Perry, C.J. Davidson, Cape Romain, Capers, Charleston 60, Comanche, Eagles Nest, Edisto 40, Edisto 60, Edisto Offshore, Fripp Island, Georgetown, Greenville, Hilton Head, Hunting Island, Kiawah, Little River Offshore, North Inlet, Paradise, Pawley's Island, Ten Mile, Vermilion,*

Wayne Upchurch, Will Goldfinch and Y-73. Fishing may be conducted only with hook and line gear and spearfishing gear (excluding powerheads). The use of fish traps, longlines, gill nets, and trawls is prohibited. Powerheads (bangsticks) are prohibited except for safety purposes. It is unlawful to possess, land, or sell any species of fish taken with a bangstick (reef and non-reef areas).

Unlawful to Sell Gamefish - The following species have been declared gamefish and native caught fish may not be sold: red drum (channel bass), spotted seatrout, striped bass and tarpon. The purchase, barter, trade, or sale of billfish, including marlin, sailfish and spearfish, is unlawful regardless of where taken or landed. Swordfish may be sold under commercial laws only.

Prohibited Practices - The use of dynamite, gun powder, lime or any other explosive in or about any waters of this state is unlawful. The commercial sale of **diamondback terrapins** is prohibited.

It is unlawful to sell or offer for sale any sea turtles or to offer for sale, sell or destroy any sea turtle eggs. Sea turtles are protected by the Federal Endangered Species Act. It is unlawful to display, feed, net, trap, harpoon, molest or otherwise interfere with the well-being or normal activity of marine mammals of the orders Cetacea, Sirenia and Pinnipedia, including but not limited to bottlenose dolphin, spotted dolphin, common dolphin, manatee, porpoise, harbor seal and any species of whale in any waters of the state. Marine mammals are also protected by federal law.

Billfish

Permits/Licenses:

Federal Highly Migratory Species Permit required

Blue Marlin

Size: 99-inch minimum (FL) (all waters)

Seasons/Restrictions:

- May be taken only by rod & reel and may not be sold.

White Marlin

Size: 66-inch minimum (FL) (all waters)

Seasons/Restrictions:

- May be taken only by rod & reel and may not be sold.

Sailfish

Limit: None

Size: 63-inch minimum (FL) (all waters)

Seasons/Restrictions:

- May be taken only by rod & reel and may not be sold.

Swordfish

Limit: 1 per person per day; up to 3 per vessel per trip

Size: 47-inch minimum from lower jaw (FL) (state & federal waters)

Seasons/Restrictions:

- May be taken only by rod & reel. Recreationally taken fish may not be sold.

Sturgeon & Shad Shortnose sturgeon

Limit: Possession is prohibited

Seasons/Restrictions:

- Unlawful to catch, buy, sell, possess or ship. Classified as an endangered species.

Atlantic sturgeon

Limit: Possession is prohibited (state waters)

Seasons/Restrictions:

- No open season until further notice. Unlawful to catch, buy, sell, possess or ship.

American Shad, Herring

Limit: 10 Shad per person per day except in Santee River and Rediversion canal (20 per person per day).

1 U.S. bushel of Herring per person per day.

Size: No size limit

Seasons/Restrictions:

- No closed season for recreational fishing with castnet or hook & line, including rod & reel. Skimbow nets allowed Feb. 1 through Apr. 30. Gill nets allowed as for commercial use.

Shrimp Harvesting Catch Limits for Shrimp

Certain exemptions apply to permitted charter vessels and licensed bait dealers. For information, contact SCDNR, Marine Resources Division, P.O. Box 12559, Charleston, SC 29422 or call 843-953-9312.

Taking Shrimp Without Bait

Permits/Licenses: None for personal use

Limits/Seasons:

- Daily catch 48 quarts whole or 29 quarts headed per boat, per person if no boat is used, or per seining party. May 1 through Dec. 15.
- 12 dozen dead or live shrimp per boat Dec. 16 through April 30.

Shrimp Baiting

Permits/Licenses: Shrimp Baiting License and pole marker tags required. A license is not required for residents assisting license holders. Licenses available Monday of second full week in June.

Seasons: 60-day period set by SCDNR beginning at 12:00 noon on the last Friday on or before Sept. 15. Call 843-953-9312 for season dates.

Limits:

- Daily catch 48 quarts whole or 29 quarts headed per boat or per person if no boat is used.

Restrictions:

- Shrimp caught over bait cannot be sold.
- No more than 10 poles can be used per license per day. Poles may not exceed 1-inch in diameter and must have a numbered tag attached which corresponds with the shrimp baiting license. Each pole must also be marked with reflective tape.
- **No more than 10 poles can be used per boat.**
- All poles of a licensed set must be within 100 linear yards of each other and sets of poles must be at least 25 yards apart. Poles may not

be set within 50 yards of any dock, public landing or boat ramp. Unattended poles will be confiscated.

- Owners of private docks or persons with written permission may bait from those docks once properly licensed and with numbered tag displayed.

- Shrimp pots or traps are prohibited.

- Individuals who are: 1) owners or officers of a corporation which owns a vessel specified on a trawl license; 2) masters of a vessel specified on a trawl license application; 3) licensed to use a channel net; 4) licensed to use a cast net for a commercial purpose; or 5) licensed as a wholesale seafood dealer may not obtain a shrimp baiting license.

- Cast nets used for taking shrimp over bait must have a minimum mesh size of $\frac{1}{2}$ inch square (1 inch stretch).

Shrimp Seines

Permits/Licenses: None for personal use

Seasons: No closed season

Restrictions:

- Maximum length of shrimp seine 40 feet, maximum depth 6 feet, minimum mesh size, $\frac{1}{2}$ inch square (1 inch stretch), maximum mesh size $\frac{3}{8}$ inch square (1.75 inch stretch).

- Tail bags or pockets are not allowed on seines when pulled by hand.

- Staked seines are considered commercial channel net devices; allowances and restrictions are provided with the purchase of a commercial license.

- One limit per seine per day.

Trawling

Permits/Licenses: Commercial Saltwater Fishing License, Vessel Decal, and Gear License required.

Restrictions: Trawling for personal use is restricted to the same license requirements, areas and seasons as commercial trawling. This information is provided with license.

Crab, Lobster & Shellfish Harvesting

Blue Crabs

Limit: None (state waters)

Size: 5-inch minimum carapace width (point to point)

Restrictions:

- Females with egg mass (sponge) must be returned to water unharmed immediately.
- For recreational purposes no more than two traps (pots) per person with owner's name and address marked on yellow floats only.

Stone Crabs

Limit: None (state waters)

Size: Claws must be $\frac{3}{4}$ -inch minimum forearm (propodus)

Restrictions:

- Only crabs with 2 claws may have one removed.
- Only the larger of two claws may be kept.
- It is unlawful to possess any stone crab body, live or dead.
- No claw may be removed from a female with egg mass.

Spiny Lobster

Limit: 2 per person per day (all waters)

Size: Carapace must be over 3 inches

Restrictions:

- No closed season.
- Removal of tail at sea prohibited.
- No harvest of berried females is allowed.
- No explosives, poisons, spears, or piercing devices other than fishing hooks are allowed.

Oysters

Limit: 2 U.S. bushels per person per day from public or state shellfish grounds. No boat or vehicle, or boat and vehicle combination, may contain more than three personal limits regardless of the number of persons on the boat or in the vehicle. In order to possess three personal limits there must be three persons on the boat or in the vehicle. If there are four or more persons on the boat or in the vehicle there is a maximum possession limit of three personal limits.

Size: No Limit

Restrictions:

- Season typically Sept. 16 through May 15; may be shortened or extended by the DNR.

• A person may harvest shellfish (clams and/or oysters) recreationally no more than two days per seven day period.

Permits/Licenses: Saltwater Recreational Fishing License required.

Clams

Limit: $\frac{1}{2}$ U.S. bushel per person per day from public or state shellfish grounds. No boat or vehicle, or boat and vehicle combination may contain more than three personal limits regardless of the number of persons on the boat or in the vehicle. In order to possess three personal limits there must be three persons on the boat or in the vehicle. If there are four or more persons on the boat or in the vehicle there is a maximum possession limit of three personal limits.

Size: 1-inch minimum thickness

Restrictions:

- Season typically Sept. 16 through May 15; may be shortened or extended by the DNR.
- A person may harvest shellfish (clams and/or oysters) recreationally no more than two days per seven day period.

Permits/Licenses: Saltwater Recreational Fishing License required.

Shell Recycling:

Oyster shells are collected throughout the coastal area and reused for shellfish culture. Call 843-953-9300 for shell drop-off site locations, or visit saltwaterfishing.sc.gov/oyster.html for detailed maps of locations.

Crab & Shellfish Methods & Devices

Crab Pots (Traps)

Permits/Licenses: None for up to two pots. A Commercial Saltwater Fishing License, Vessel Decal, and Gear License are required for over two pots. (Other information is provided with licenses.)

Seasons: No closed season

Restrictions:

- If unattended each pot float must bear name and address or license number of owner.
- No crab pot shall be left unattended in coastal waters more than 5 days.
- No crab trap or pot may be set within 100 yards of a public boat landing or launching area or set so as to be left dry at low tide.

DNR

- A float attached to a crab pot or trap must be made of solid, buoyant material which does not sink upon being punctured or cracked. The floats must be constructed of plastic, PVC Spongex, plastic foam, or cork. The primary float for a recreational pot or trap must be yellow in color and at least ten inches in length if rectangular, cylindrical, or conical and at least five inches in diameter or width. Round or spherical floats must be at least six inches in diameter. Buoy lines for crab pots must be made of nonfloating material.

Gathering Shellfish (Oysters & Clams)

Permits/Licenses: Saltwater Recreational Fishing License required.

Seasons: Typically Sept. 16 through May 15 (½ hour before sunrise to ½ hour after sunset)

Restrictions:

- Shellfish may be harvested recreationally from State shellfish grounds and Public shellfish grounds. Most Public and State shellfish grounds are marked with signs. Recreational harvesting is allowed on culture permit grounds (formerly leases), but only when the harvester has in possession written permission from the culture permit holder. License must be in possession while harvesting.

Maps of areas where oysters and clams may be gathered in season for recreation may be found on the web at www.dnr.sc.gov or by writing Marine Resources at PO Box 12559, Charleston, SC 29422. www.dnr.sc.gov/marine/shellfish/regs.html.

Don't be confused

As noted in the regulations information, weakfish and spotted seatrout, two species with similar appearances, have different size limits, 12-inches Total Length, and 14-inches Total Length respectively. To avoid angler confusion, biologists note a distinct characteristic between these two species is the rounded black spots visible on the spotted seatrout's body and fins.

Shrimp Baiting License Application

Note: Applications with incomplete information will not be processed and will be returned to the applicant.

2008 Saltwater Recreational Fisheries License Report

Introduction

The South Carolina Recreational Fisheries License Program, since its inception in July 1992, has provided significant benefits to the state. Allocated funds continue to support programs, activities, and resource management functions that are of great value to the protection, maintenance, enhancement, and enjoyment of healthy and diverse marine recreational fisheries, associated fish stocks, and marine habitats. The original Marine Recreational Fishing Stamp program was modified in 2002 to give South Carolina resident and out-of-state anglers a variety of license options from which to choose. The modification has allowed for revenues to double, which provides additional support for activities important to state saltwater recreational anglers.

Since the inception of the license, as of May 31, 2008, approximately **1,547,780** individual saltwater stamps/licenses have been sold to marine recreational anglers over the course of the program's existence. Since July 2007, **132,324** individual saltwater recreational licenses of all available types have been purchased, resulting in the generation of approximately **\$1.4 million** in total revenue, the vast majority of which by law must be used to benefit saltwater recreational fisheries for the state. The following are highlights of the activities, projects, and programs carried out by the Marine Resources Division that received support from the Saltwater Recreational Fisheries License Program over this past fiscal year.

FY 2008 Highlights

Artificial Reefs – Fifteen artificial reef construction projects will be complete by the end of this fiscal year on permitted reef sites along the coast. These projects will include the addition of 1 tug boat, 3 deck barges, over 2000 pieces of concrete culvert, 42 NYC subway cars, and ex-U.S. army armored personnel carriers. Routine monitoring and assessment of numerous reefs were conducted throughout the year, and 9 missing reef buoys were replaced on estuarine and offshore reefs. A second printing of the SC artificial reef guide was done. An economic impact survey of SC artificial reef users was also completed which revealed that approximately 203,400 fishing trips were made to SC artificial reefs during the 2006 calendar year generating over 83 million dollars in total sales for the SC coastal economy during that year and generating nearly 1000 jobs in supporting industries. Additionally, a new project to evaluate the placement of existing artificial reefs off South Carolina in regards to oceanographic features and spawning of reef fishes was initiated and will continue in FY2009. The overall goal of this project is to collect information on both artificial and natural reefs located at similar depths in order to help improve the current network of artificial reefs to take advantage of reef fish spawning and recruitment patterns to enhance reef productivity. - **\$264.6K**

Marine Fish – SCDNR's Marine Gamefish Tagging Program continues to promote responsible angling ethics and conservation through the support of license-generated funds. Last year, 225 trained volunteer anglers tagged 1,985 fish. Information was received from 219 recaptured fish. The top species tagged and released were red drum and sheepshead. One recapture of note was a sailfish originally tagged off of Charleston in July 2005 that was recaptured in May 2007 off the coast of Cuba.

Another important component in SCDNR's effort to maintain high quality fishing opportunities is our effort to monitor recreationally important species. Staff collect size, age, and reproductive information from a variety of species. Information is collected using gear designed to catch and record data in a standardized, repeatable fashion using long-lines to catch large adult red drum offshore, trammel nets to catch smaller juvenile red and black drum, flounder, sheepshead, and seatrout inshore, and electro-shocking in estuarine waters farther upstream. SCDNR fisheries biologists also visit fishing tournaments and manage fish drop-off freezers in several locations where participating anglers can donate specimens for scientific study. Over the past year, staff collected samples from about 200 fish from fishing tournaments. Recreational anglers donated 231 additional fish through the drop-off freezer

program, and 333 tag returns were reported for red drum alone. Additionally, a new effort to provide and prepare sheepshead samples to DHEC for mercury analysis is under way.

Another useful and popular program, supported through saltwater recreational fisheries license funds, is SCDNR's red drum stocking research program. Adult wild red drum maintained in the lab during the year are conditioned to spawn by incrementally changing the day length and temperature similar to what they would experience in the wild. When conditions are right, red drum will volitionally spawn in the tanks and fertilized eggs can be collected. Larvae that are produced must then be carefully maintained in ponds. All animals produced at the Waddell Mariculture Center have a unique genotype or "genetic fingerprint" so that they can later be distinguished from their wild cohorts. When the fish held in ponds grow to approximately 1-2 inches in length they are harvested and transported to stocking sites along the coast. During FY2007, over 2.5 million red drum were released as part of a license funded project. Specifically, 2,477,692 small juvenile fish were released in the Winyah Bay, Colleton River, North Edisto, and Little rivers; 64,972 (3-4-inch fish) additional fish were released in Winyah and Little River in spring 2008. Our cutting edge genetic techniques use non-lethal sampling allowing fish to be released by the angler after removing a small tissue sample. In a spirit of true conservation, this allows anglers to participate in our program while releasing fish to be caught on another day. This project has expanded its cooperating angler program, which now includes 589 anglers who have produced 2,300 genetic samples.

An effort to assess the bycatch in the commercial channel net and shad gill net fisheries began this year to determine the potential impact these fisheries may have on recreationally important finfish species. Additionally a Marine Recreational Fisheries survey analysis was funded in order to better understand and track the attitudes, perceptions, and preferences of South Carolina marine recreational anglers by analyzing information collected by recent phone and mail surveys of recreational anglers. - **\$457.4K**

Oysters – Over 36,900 bushels of shell were planted on 6 public shellfish grounds during FY2008. Nineteen shell recycling sites, located throughout the coastal zone, continue to serve as collection points for donated shell, allowing the public to participate in oyster reef restoration and enhancement in recreational harvesting areas. A record 15,363 bushels of oyster shells were recycled in FY2008. SCDNR biologists are evaluating new ways to enhance and restore local shellfish beds. Researchers are testing different methods of placing shell on banks, covering some of the shell with materials to reduce erosion and are using volunteers to build and monitor oyster reefs in different areas and under different conditions. Additionally, license money has helped researchers expand their statewide assessment of oyster recruitment. Shellfish maps are available to the public free of charge by writing: Recreational Shellfish Maps, Shellfish Management Program, SCDNR, P.O. Box 12559, Charleston, SC 29442-2559, by calling 843-953-9854, or from the SCDNR Web site www.dnr.sc.gov/marine/shellfish/regs.html. - **\$290K**

Education, Information, Outreach – The saltwater license Website (saltwaterfishing.sc.gov) continues to provide the public with updated information on rules and regulations and saltwater fishing related news. The Website averages more than 75,000 hits per month. The Coastal Informational Distribution System (CIDS) continues to distribute educational publications to numerous tackle shops, fishing piers, and marinas along the coast. The Carolina Coastal Discovery (CCD) Marine Education Program continues to provide vessel and land-based education activities operating out of the Marine Resources Center in Charleston, DNR facilities in the Ashepoo-Combahee-Edisto (ACE) Basin, and in Georgetown County, reaching about 2,000 students and adults with education programs during FY2008. The CCD Program's education initiatives included marine animal dissections, a shorebird and waterfowl program, barrier island activities, catch and release angling programs, and a volunteer Monofilament Recycling Program. Additionally, CCD participated in a Public Event Series to help reflect ongoing research and management projects of the SCDNR, including highlighting various license-funded projects. CCD Program information and application forms are now available online at www.dnr.sc.gov/ccd/ - **\$157K**

Hunting Rules & Regulations

www.dnr.sc.gov/hunting.html

Regulations in this section apply to both private and public lands statewide, unless otherwise specified.

Licenses and permits are required for hunting in South Carolina. Detailed information on the types of licenses and permits is located in the License Fees chapter of this book. All residents and nonresidents born after June 30, 1979, must successfully complete a hunter education course that is approved by the Department of Natural Resources (DNR) before a hunting license can be obtained.

Basic Information on Hunting:

Hunting is defined as trying to find, seek, obtain, pursue, or diligently search for game.

Game Zones & WMAs - South Carolina is divided into six game zones, as defined on the map below.

DNR sets and regulates the methods of harvest, bag limits and other requirements for hunting on Wildlife Management Areas (WMA) statewide.

The SC General Assembly establishes seasons, limits and methods for private land statewide. DNR is responsible for law enforcement statewide.

Protected Game - The following species may be hunted ONLY during legally established seasons: bear, beaver, bobcat, deer, fox, mink, muskrat, opossum, otter, rabbit, raccoon, skunk, squirrel, weasel, waterfowl (goose, brant and duck), bobwhite quail, mourning dove, rails (marsh hen), coot, gallinule, ruffed grouse, crow, wild turkey, common snipe and woodcock.

Protected Nongame - The following species are protected and may not be hunted, molested, caught, transported, sold or possessed in any manner: Alligators, birds of prey (eagles, hawks, osprey, owls, kites and vultures), nongame birds (except English sparrows, pigeons and starlings) and cougars (also known as pumas or mountain lions).

Falconers must possess a SCDNR permit.

Alligators - It is unlawful to feed or entice an American alligator with food (50-11-750).

South Carolina Game Zones

Alligators may only be taken and/or possessed under authority of a permit issued by SCDNR. Such permits may be issued for problem alligators and in emergency situations, the Private Lands Program and the Alligator Hunting Season. Beginning in 2008, South Carolina will conduct the first legal public hunting season for alligators since the 1960's. Hunters will be randomly selected and can only apply online. The application and other details can be found on the SCDNR website. The deadline for applying for each year's hunt is July 15. For information about the program and licensing requirements for taking, possession and sale of alligators or their products, call 803-734-3938.

Archery - Means a longbow, recurve bow, compound bow or crossbow (50-11-565). There are no restrictions on draw weight/length, arrow weight/length, or broad head weight, width, or style.

Armadillos are not a protected species, however, a hunting license is required to hunt armadillos. Harvesting armadillos on WMA lands is limited to the current open season and weapons that are in effect for game species on the WMA. Armadillos may not be hunted at night.

Bear - It is unlawful to buy, sell, barter or exchange a bear or bear part. Transportation of a freshly killed bear or bear parts is unlawful except during bear season. Any person violating these offenses must be fined not more than \$2500 or imprisoned for not more than 2 years, or both, and hunting and fishing privileges must be suspended for 3 years. It is unlawful to feed bears or to hunt bears by the aid of bait (50-11-430, 50-11-440, 50-1-130, 50-1-125).

All harvested bear must be reported to the SCDNR Clemson office or 864-654-1671, ext. 19 within 24 hours of harvest.

Participants in party dog hunts for bear must register before Sept. 15 with SCDNR. 25 members maximum per party. Write: SCDNR Bear Registration Permit, 311 Natural Resources Dr., Clemson, SC 29631.

Crows - A hunting license and free Migratory Bird (HIP) Permit are required to hunt crows. Crows are migratory birds and as such, are a federally protected species. The season is based on criteria established by the US Fish and Wildlife Service. The open season for crows on private lands in South Carolina is November 1 - March 1. There is no bag limit. During the open season on private lands crows may be taken with any firearm, bow and arrow, or by falconry. Crow hunting on WMA lands is permitted. During the open season for small game hunting on WMAs, crows may only be hunted with weapons legal for small game. In Game Zone 1 no buckshot or rifles greater than .22 rimfire may be used except during deer and bear season (50-11-380). The

use of electronic calls for crow hunting is permitted statewide on private land and WMA land. Crows damaging crops may be taken at any time without a federal permit (50 CFR 21.43).

Deer - Legal hunting time for deer is the time between one hour before official sunrise until one hour after official sunset (50-11-710).

In Game Zones 1 and 2 it is unlawful to pursue deer with dogs, and it is unlawful to bait for deer (50-11-310).

It is unlawful to hunt, shoot or in any way kill deer from a motorboat, raft or any other water conveyance, or to molest deer while any part of the deer is in water.

Possessing any deer with the head detached while in transit from the point of kill is prohibited.

It is unlawful to hunt deer within 300 yards of a residence without permission of the owner and occupant, except that a landowner may hunt on his own land.

Archery, muzzleloaders and crossbows are allowed during gun hunts.

Antlerless Deer - An antlerless deer is defined as a deer with no antlers or an antlered deer with less than two inches of antler visible above the hairline (50-11-410).

Antlerless deer may not be possessed, hunted, shot or in any way killed except during special seasons or by special permit.

Antlerless Deer Harvest Programs are conducted statewide using either-sex days and 2 optional antlerless deer tag programs. The dates for either-sex days are shown in the hunting season section beginning on page 37.

Optional antlerless deer tag programs that hunters may choose to participate in include the **Individual Antlerless Deer Tag Program** and the **Antlerless Deer Quota Program (ADQP)**. Both programs are in effect statewide (50-11-390).

With the **Individual Antlerless Deer Tag Program** hunters can purchase either 2 or 4 tags per person, for \$5 each, which can be used on any day open to deer hunting with the following Game Zone restrictions: Tags are not valid in Game Zone 1 (Mountains). In Game Zone 2 (Piedmont) tags are valid on public and private land starting Oct. 1. In Game Zones 3-6 (Coastal Plain) tags are valid on private lands and "unnamed" small WMAs starting Sept. 15. Tags are also valid on Sand Hills State Forest WMA in Chesterfield Co., North Dike WMA in Berkeley Co., Longleaf Pine WMA in Lee County and Francis Marion National Forest in Berkeley and Charleston Counties during still gun hunts for deer starting Sept. 15. Tags do not have to be used on scheduled county-wide either-sex days. Tags are not valid on properties enrolled in the Antlerless Deer Quota Program. Tags do not alter the daily or seasonal bag limits prescribed for Game Zones.

All persons purchasing tags in past years will be sent a renewal notice in August. New applicants may complete the application provided on page 53 or contact DNR Deer Project at 803-734-3886 to receive an application. The possession and use of these tags are limited to the purchaser.

Antlerless Deer Quota Program - Antlerless deer quotas are issued to qualifying land owners or lessees statewide who complete and submit an application along with a \$50 fee prior to July 18, each year. This program is generally better suited for landowners or lessees with larger acreages. Under the ADQP, a quota of tags is issued for a particular tract of land based on criteria including: density of the local deer population, condition of the local deer population, the size of the tract of land, and the recreational and agricultural objectives of the property owner.

Utilization of tags issued under the ADQP is subject to the following Game Zone restrictions. Game Zone 1 (Mountains) tags are valid beginning Oct. 1. Game Zone 2 (Central & Western Piedmont) and Game Zones 3-6 (Coastal Plain) beginning Sept. 15. Tags issued for a particular tract of land can only be used on that tract and they must be used on all antlerless deer that are harvested including antlerless deer harvested on either-sex days or by bow and arrow in Game Zones 1 & 2. Tags do not alter the daily or seasonal bag limits or use of weapons during special weapons seasons in Game Zones 1 & 2. A harvest report must be completed by the applicant at the close of the season.

Feral Hogs and Coyotes - A hunting license is required to hunt feral hogs and coyotes. Coyotes may be hunted at night only as prescribed in the "Night Hunting" section on the following page. Hogs may not be hunted at night. There is no closed season or weapons restrictions for hunting feral hogs and coyotes on private lands statewide with the following exceptions; in Game Zone 1 it is unlawful to have in possession any firearm loaded with buckshot or larger shot or a rifle or ammunition greater than .22 rimfire except during deer and bear season (50-11-380). Feral hog and coyote hunting on WMA lands is permitted during any open season for game unless otherwise restricted. (See individual WMAs.) On WMA lands, weapons used to hunt hogs and coyotes are limited to the weapon(s) that are allowed for the current open season on the WMA - see WMA seasons listing in the Game Zones sections beginning on page 44. No Sunday hunting on WMA lands. The use of electronic calls for feral hog and coyote hunting is permitted statewide on private and WMA lands. Dog hunting for feral hogs and coyotes is allowed year-round on private lands statewide. Deer may not be hunted with dogs on any WMA lands in Game Zones 1 & 2. On WMA lands in Game Zones 1 & 2 feral hogs and coyotes may not be hunted with dogs during still gun and muzzleloader hunts for deer or bear. The possession or transport of live coyotes is allowed only by permit from SCDNR. No hogs may be taken live from any WMA in the

state. It is unlawful to release or transport for the purpose of release, hogs for hunting purposes or in an attempt to establish or supplement a free roaming population (50-16-25).

Importation & Possession - It is unlawful to import, possess or transport for the purpose of release or to introduce or bring into this state any live wildlife of the following types without a permit from the department: a member of the family Cervidae (deer, moose, elk, etc.), coyote, bear, turkey, furbearers (fox, raccoon, opossum, muskrat, mink, skunk, otter, bobcat, weasel and beaver), a nondomestic member of the families Suidae or Tayassuidae (pigs), Bovidae (bison, mountain goat, mountain sheep). (50-16-20).

The importation or sale of live wolves is prohibited in South Carolina, except for exhibition or scientific purposes upon the approval of SCDNR as provided by regulations. It is unlawful to import coyotes. The sale of coyotes is allowed only by permit from SCDNR (50-11-2630). A person may not have a live wolf in his possession without a SCDNR permit.

Note: DNR does not advocate or encourage keeping wildlife in captivity.

Primitive Weapons - For special primitive weapons seasons, primitive weapons include bow and arrow, crossbows, and muzzleloading shotguns of twenty gauge or larger, and rifles of .36 caliber or larger with open or peep sights or scopes, which use black powder or a black powder substitute that does not contain nitro-cellulose or nitro-glycerin components as the propellant charge. There are no restrictions on ignition systems including flintstone, percussion cap, shotgun primer, disk, or electronic. During primitive weapons season, no revolving rifles are permitted. (50-11-310)

Turkey - Season dates: Game Zone 6 private land only, March 15-May 1. Game Zones 1, 2, 3, 4, 5, and selected Wildlife Management Areas, April 1-May 1. See page 39 for season dates and regulations for WMA and private land. No Sunday hunting on WMAs.

Small Game - Small game includes the following species: quail, squirrel, rabbit, raccoon, opossum, fox, beaver, bobcat, mink, muskrat, otter, skunk, grouse and weasel. Unless otherwise specified in the small game seasons charts on page 38, hunt dates for these species are from Thanksgiving day through March 1.

Migratory Birds - Migratory birds include: mourning dove, marsh hens, rails, woodcock, common snipe, common moorhens, purple gallinules, ducks, mergansers, sea ducks, coots, blue & snow geese, brant, Canada geese and crows.

Effective July 1, 1998, anyone over 16 or all licensed hunters hunting migratory game birds in the United States must have an HIP permit and complete a short questionnaire before hunting. Free permits are available at license vendors.

Seasons, shooting hours, limits, and other special restrictions on migratory bird hunting are set by SCDNR in accordance with guidelines set by the U. S. Fish & Wildlife Service. Detailed

information on the seasons and restrictions is provided in a separate Migratory Bird Brochure available in September.

Listed below are frequently requested rules for hunting migratory birds.

- Shotguns must be plugged so as to hold no more than 3 shells.
- Baiting or hunting over bait is strictly prohibited.
- All hunting hours end at official sunset.
- The possession of lead shot is prohibited while waterfowl hunting.
- State and Federal Waterfowl stamps are required for hunting ducks, geese, coots and gallinules. (See exceptions in License section on page 11.)

Refer to the Migratory Bird Brochure for complete information on particular species and other restrictions.

Bird Dog Training - Bird dogs may be trained year-round on private land. Trainers must have a valid hunting license and may only use firearms with blank ammunition during the closed season for quail. A Bird Dog Trainer's License is available to persons engaged in the business of training bird dogs in return for money, goods or services. This license allows a trainer and two assistants to take pen-raised quail during the closed season while training dogs. Applicants must provide documentation of land areas to be used for training. For information, or to obtain a license, contact SCDNR Small Game Project at P.O. Box 167, Columbia, SC 29202 or call 803-734-3609.

Calls, recorded or electronically amplified - It is illegal to hunt, catch, take, kill or attempt to hunt, catch, take or kill any game bird or game animal with the aid of recorded calls or sounds or recorded or electronically amplified imitations of calls or sounds. Crows, coyotes or hogs are not game birds/animals and therefore can be hunted using electronic calls during daylight hours on private lands and WMA lands.

Crossbows - Crossbows may be used on private lands and WMA lands statewide during all archery, muzzleloader or gun seasons for deer, bear and turkey.

Deer Processors - It is unlawful to keep any deer in cold storage or refrigerating plants unless the carcass is clearly marked with the hunter's name, address, and hunting license number (50-11-1700). This does not apply to storage at a private residence or to deer that have an Individual Antlerless Deer Tag Program tag attached to the hamstring since the hunter's name, address, and tag number appear on the face of the tag. Deer processors should recognize that it is unlawful to sell deer meat to regain the processing fee for deer that have not been picked-up by the owner (50-11-1910). The best practice is to take a deposit for the processing service when deer are left at the facility. If meat is not picked-up by the owner it can be given to another individual at no charge.

Field Trials - It is unlawful to conduct or participate in any field trial unless a permit for

such trial has been obtained from SCDNR. Requests for field trial permits must be submitted to SCDNR at least 14 days prior to the proposed trial date. Requests shall include payment of \$5 per trial and the time and location of the proposed trial. A charter or document indicating that the trial is sanctioned by a nationally recognized field trial organization must accompany all requests for field trial permits. For information, or to obtain a permit, contact SCDNR Small Game Project at P.O. Box 167, Columbia, SC 29202 or call 803-734-3609.

Hunting from Public Roads - It is unlawful to hunt from a public road unless the hunter has permission to hunt the adjacent property. Hunting as used in this section includes possessing, carrying, or having readily accessible, a loaded centerfire rifle, or a shotgun loaded with shot size larger than number four. Loaded means a weapon within which any ammunition is contained. This does not include weapons contained in a closed compartment, closed vehicle trunk, or a vehicle traveling on a public road. A person convicted of unlawful road hunting forfeits hunting privileges for one year. See WMA Regulations Page 33 for restrictions on WMA lands.

Negligent Hunting - It is unlawful to use a firearm or archery tackle, in a criminally negligent manner, while in preparation for, engaged in the act of, or returning from hunting. Criminal negligence is defined as the reckless disregard for the safety of others.

Night - Night is defined as that period of time between one hour after official sunset of a day and one hour before official sunrise of the following day. (50-11-710).

Night Hunting - Night hunting is unlawful except that raccoons, opossums, foxes, mink, coyotes and skunk may be hunted at night; however, they may not be hunted with artificial lights except when treed or cornered with dogs. No buckshot or any shot larger than a No. 4, or any ammunition larger than .22 rimfire may be used. It is unlawful to use artificial lights at night, except vehicle headlights, while traveling in a normal manner on a public road or highway, while in possession of or with immediate access to both ammunition of a type prohibited for use at night and a firearm capable of firing the ammunition (50-11-710). Rabbit hunting at night without weapons is lawful on private land.

Rabbit Boxes - It is unlawful for any person to trap rabbits, except that a landlord or tenant may use not more than five rabbit boxes on lands on which he has exclusive control during the gun season for rabbits. A hunting license is required to use rabbit boxes. Rabbit boxes are not permitted on WMA lands (50-11-160).

Running Seasons (No gun season) - During any period when rabbits, raccoons, opossums, squirrels or fox may be hunted without firearms, it is illegal to hunt such game when carrying on ones person or in ones vehicle any firearm.

Shining - In all game zones, the use of artificial lights for the purpose of observing or harassing wildlife is unlawful, except that a property owner, lessee, or person with written permission from

the property owner may use artificial lights to observe wildlife prior to 11:00 p.m. This section does not prohibit an owner of real property from using artificial lights for the purpose of protecting the property. This section does not prohibit the use of remote trail monitors or cameras from fixed locations on a property, nor does it prohibit a person or group, with written permission of the landowner or leaseholder of the property, from observing wildlife with the use of artificial lights who is engaged in research or documentary filming. (50-11-708)

Selling Game Animals - It is unlawful to sell, except by special permit, any protected wildlife. Furbearing animals may be sold with a valid commercial fur harvest license. Contact SCDNR for a copy of the commercial fur harvest regulations.

Sunday Hunting - Hunting is prohibited on Sundays on all WMA lands. On private lands statewide Sunday hunting for all game is legal except bear hunting which is prohibited on Sundays in Game Zone 1.

Transporting Firearms - There are no SCDNR restrictions on transporting firearms by licensed hunters and fishermen in a vehicle to and from the place of hunting and fishing except on WMA lands. For regulations on WMA lands see Weapons 3.4 on page 33.

Trapping - Regulations are available in a separate brochure.

Trespass - It shall be unlawful to enter upon the lands of another for the purpose of hunting, fishing, trapping or retrieval of dogs without the consent of the landowner or manager.

Rifle Ranges

SCDNR operates three rifle ranges that are open for use during certain hours which are subject to change according to time of year, hunting seasons, etc. To confirm hours of operation, call the SCDNR Clemson office at 864-654-1671 ext. 18 or for Palachucola Range call 803-625-3569.

Pickens County Range - From Easley, take SC Hwy. 8 approximately 4 miles towards Pickens. Turn left on Breazeale Road. Drive $\frac{1}{2}$ mile beyond SC Dept. of Transportation Maintenance Shop and turn left on Porter Rd. Go approximately $\frac{1}{2}$ mile, turn left at the red gate. The range is located at the end of the gravel road.

Hours: Tuesday - Saturday: 9 am - 5 pm (EST) or as posted. Closed Sunday and Monday. For more info call 864-855-5747.

SCDNR James O. Thomason Firing Range - (Spartanburg Co.) From Pauline, take SC Hwy. 215 approximately $\frac{1}{2}$ mile east toward Glenn Springs. Turn left on Foster Mill Road and drive 2.5 miles (paved road becomes gravel road). Range is on the left side of the road.

Hours: Tuesday - Saturday: 9 am - 5 pm (EST). Closed Sunday and Monday.

Palachucola Range - (Hampton Co.) - 8:00 am-dark, Wednesday & Saturday except during deer & turkey hunts. Dates are posted at the range or call 803-625-3569 for more

information.

Manchester State Forest Rifle Range - (SC Forestry Commission, Sumter County) Open Saturday and Sunday 8:30 am - 5:00 pm, \$5.00 per day or \$25.00 per year. Hearing protection required. For more info., call 803-494-8196.

US Forest Service Rifle Ranges

Cedar Creek Rifle Range - (Oconee Co.) Year round. Fully accessible to disabled visitors. Three of five shooting tables are under a shelter. For more info. call 864-638-9568 or FAX 864-638-2659.

Candy Branch Rifle Range - (Abbeville Co.) Year round, sunrise to sunset. Five firing lines with left or right benches including one accessible to disabled visitors. For more info. call 803-637-5396 or Fax 803-637-2273.

Beaverdam Rifle Range - (Edgefield Co.) Year round, sunrise to sunset. Eight open firing lines with left or right benches. For more info. call 803-637-5396 or Fax 803-637-2273.

Fairforest Rifle Range - (Union Co.), **Leeds Rifle Range** (Chester Co.), **Philson Cross-roads Rifle Range** (Laurens Co.), **Indian Creek Rifle Range** (Newberry Co.) Year round, day use. All have six firing lanes, left and right benches are available, including one bench accessible to disabled visitors (except Leeds Rifle Range). For more info. call 864-427-9858 or Fax 864-427-3529.

Francis Marion Rifle Ranges - Year round, daylight hours only. Shooting tables, including one fully-accessible to disabled visitors. For more info. call Wambaw District at 843-887-3257 or Fax 843-887-3848 or Witherbee District at 843-336-3248 or Fax 843-336-4789.

WMA Abuse

Any person who damages, destroys or misuses WMA lands or improvements on them including, but not limited to roads, vegetation, buildings, structures or fences, or leaves refuse, trash or other debris on the property, or sets, makes or builds a fire (except in an area specially designated as a campfire area), operates a motor conveyance on areas or roads closed to operation, target practices, camps in areas except for designated campsites, disregards safety or restrictive postings as designated by the landowner or who otherwise abuses, damages, destroys or misuses wildlife management areas is guilty of a misdemeanor and, upon conviction, must be fined \$200 and be required to make restitution to the landowner in an amount determined by the court to be necessary to repair, rebuild, restore or clean up the property to its condition before the abuse occurred. A person who is convicted of damaging, destroying, abusing or misusing Wildlife Management Area land twice in a three-year period shall lose the privilege of entering WMA land for one year (50-11-2210).

WMA Regulations

www.dnr.sc.gov/wma

WMA Public Drawing Hunts

The SCDNR offers a variety of WMA hunts through computerized drawings. Hunt fees range from \$10 to \$100 per hunter and must be submitted at the time of application. Applications for deer hunts are available in July, waterfowl and quail hunts in September, and youth/adult only turkey hunts in February. Deadlines to apply for draw hunts are generally mid-August (deer), mid-October for quail and waterfowl and early March for youth turkey hunts. Applications are available at SCDNR offices statewide (refer to directory on page 61) or write SCDNR Public Drawing Hunts, PO Box 167, Columbia, SC 29202 or visit our web site at www.dnr.sc.gov/hunting/drawhunts.html

GENERAL REGULATIONS

On all SCDNR owned WMA lands the removal of artifacts or ecofacts (including arrowheads) from the surface or subsurface is prohibited except when approved by the State Historic Preservation Office and carried out in accordance with their guidelines.

See page 37 for regulations on private lands in Game Zones 1 & 2.

Statutes 50-11-2200 and 50-11-2210 authorize the promulgation of WMA regulations. See specific game zones for seasons.

2.1 Except as provided in these regulations, it is unlawful to hunt or take wildlife on areas designated by the South Carolina Department of Natural Resources (SCDNR) as Wildlife Management Area (WMA) lands.

2.2 Entry onto WMA land is done wholly and completely at the risk of the individual. Neither the landowner or the State of South Carolina nor the South Carolina Department of Natural Resources accepts any responsibility for acts, omissions, or activities or conditions on these lands which cause or may cause personal injury or property damage.

2.3 Entry onto WMA land constitutes consent to an inspection and search of the person, game bag or creel.

2.4 It is unlawful for anyone to hunt or take wildlife on WMA land unless an individual is in possession of a valid South Carolina license; a valid WMA permit; and other applicable federal or state permits, stamps, or licenses.

2.5 No Sunday hunting is permitted on any WMA lands.

2.6 On all WMA lands, baiting or hunting over a baited area is prohibited. As used in this section, "bait" or "baiting" means the placing, depositing, exposing, distributing, or scattering of shelled, shucked, or unshucked corn, wheat, or other grain or other food stuffs to constitute an attraction, lure, or enticement to, on, or over any area. "Baited area" means an area where bait is directly or indirectly placed, deposited, exposed, distributed, or scattered and the area remains a baited area for ten (10) days following the complete removal of all bait. Salt/minerals are not considered bait.

2.7 On WMA lands construction or use of tree stands is prohibited if the tree stand is constructed by driving nails or other devices into trees or if wire is wrapped around trees. Other tree stands and temporary screw-in type climbing devices are permitted provided they are not permanently affixed or embedded in the tree. All stands must be removed by the end of deer hunting season.

2.8 On WMA lands any hunter younger than sixteen (16) years of age must be accompanied by an adult (21 years or older) who is validly licensed and holds applicable permits, licenses or stamps for the use of WMA lands. Sight and voice contact must be maintained.

2.9 Notwithstanding any other provision of these regulations, the Department may permit special seasons on any day during the regular hunting season.

2.10 No person may release or attempt to release any animal onto WMA lands without approval from the Department.

2.11 While participating in a hunt on WMAs, no person may possess, consume or be under the influence of intoxicants, including beer, wine, liquor or drugs.

2.12 On WMA lands, during the designated statewide youth deer hunt day, still hunting only, two deer, either-sex.

2.13 Taking or destroying timber, other forest products or cutting firewood on WMA lands without written permission from the landowner or his agents is prohibited. Users of WMA lands are prohibited from planting, attempting to plant, burning or otherwise attempting to manipulate crops, natural vegetation or openings without written permission from the landowner or his agent.

WEAPONS

3.1 On WMA lands hunters may use any shotgun, rifle, bow and arrow or hand gun except that specific weapons may be prohibited on certain hunts. Small game hunters may possess or use shotguns with shot no larger than No. 2 or .22 or smaller rimfire rifles/handguns or primitive muzzle-loading rifles of .40 caliber or smaller. Small game hunters may not possess or use buckshot, slugs or shot larger than No. 2. Blow guns, dart guns or drugged arrows are not permitted. Small game hunters using archery equipment must use small game tips on the arrows (judo points, bludgeon points, etc.).

3.2 For Special Primitive Weapons Seasons, primitive weapons include bow and arrow, crossbow and muzzle-loading shotguns (20 gauge or larger) and rifles (.36 caliber or larger) with open or peep sights or scopes, which use black powder or a black powder substitute that does not contain nitro-cellulose or nitro-glycerin components as the propellant charge; there are no restrictions on ignition systems (e.g. Flintstone, percussion cap, shotgun primer, disk, electronic, etc.). During primitive weapons season, no revolving rifles are permitted.

3.3 On WMA lands, big game hunters are not allowed to use military or hard-jacketed bullets or .22 or smaller rimfire. Buckshot is prohibited during still hunts for deer or hogs on the Santee Coastal Reserve, Bucksport, Pee Dee Station Site, Lewis Ocean Bay, Great Pee Dee, Crackerneck, Webb Center, Marsh Furniture, Manchester State Forest, Palachucola, Waccamaw River Heritage Preserve, Donnelley, Francis Marion, Moultrie, Edisto River, Bonneau Ferry and McBee WMA lands.

3.4 On WMAs during periods when hunting is permitted, all firearms transported in vehicles must be unloaded and secured in a weapons case, or in the trunk of a vehicle or in a locked toolbox. On the Francis Marion Hunt Unit during deer hunts with dogs, loaded shotguns may be transported in vehicles. Any shotgun, centerfire rifle or rimfire rifle or pistol with a shell in the chamber or magazine or muzzleloader with a cap on the nipple or flintlock with powder in the flash pan is considered loaded.

3.5 No target practice is permitted on WMA lands except in specifically designated areas.

3.6 On WMA lands during still gun hunts for deer or hogs there shall be no hunting or shooting from, on or across any road open to vehicle traffic. During any deer or hog hunt there shall be no open season for hunting on any designated recreational trail on U.S Forest Service or S.C. Public Service Authority property.

DEER

4.1 On WMA lands with designated check stations, all deer bagged must be checked at a check station. Deer bagged too late for reporting one day must be reported the following day. Unless otherwise specified by the department, only bucks (male deer) may be taken on all WMA lands. Male deer must have antlers visible two (2) inches above the hairline to be legally bagged on "bucks only" hunts. Male deer with visible antlers of less than two (2) inches above the hairline must be taken only on either-sex days or pursuant to permits issued by the department. A point is any projection at least one inch long and longer than wide at some location at least one inch from the tip of the projection. Antler spread is the greatest outside measurement (main beam or points) on a plane perpendicular to the skull. On WMA lands, man drives for deer are permitted between 10:00 a.m. and 2:00 p.m. only, except that no man drives may be conducted on days designated by the department for taking deer of either-sex. On WMA lands, drivers participating in man drives are prohibited from carrying or using weapons. On WMA lands, in Game Zones 1 & 2 man drives will be permitted on the last four (4) scheduled either-sex days. A man drive is defined as an organized hunting technique involving two (2) or more individuals whereby an attempt is made to drive game animals from cover

or habitat for the purpose of shooting, killing or moving such animals toward other hunters.

4.2 Deer either-sex days for gun hunts are as follows (*See Game Zone sections beginning on page 44 for specific dates*):

- Game Zone 1: The first three Saturdays in November.
- Game Zones 2-6: Every Saturday from Oct. 1 to the Saturday after Thanksgiving Day inclusive; Saturdays in December beginning 23 days after Thanksgiving Day and the last day of the open season.

DOGS

5.1 On all WMA lands, dogs may be used for small game hunting unless otherwise specified.

5.2 On all WMA lands in Game Zones 1 & 2, dogs may not be used for rabbit hunting during still gun hunts for deer or bear. Dogs may be used from the close of the gun season for deer until the close of the rabbit season. Dogs may be trained for rabbit hunting from September 1 through September 30 (no guns).

5.3 On WMA lands, dogs may be used for hunting foxes, coyotes, raccoons, bobcats or opossums only between thirty (30) minutes after official sunset and thirty (30) minutes before official sunrise.

5.4 The Department may permit deer hunting with dogs on WMA areas not located in Game Zones 1 & 2. For the purposes of tracking a wounded deer, a hunter may use one dog which is kept on a leash.

5.5 Dogs may be used to hunt bear on WMA lands in Game Zone 1 during the special party dog bear season.

VEHICLES

All terrain vehicles (ATV's) are not allowed on any Heritage Preserve (51-17-130).

6.1 On all WMA lands, no hunter may shoot from a vehicle except that mobility impaired hunters may take game from any stationary motor driven land conveyance or trailer which is operated in compliance with these rules. For purposes of this regulation, mobility impaired means individuals who are permanently confined to a wheelchair, permanently require the use of two crutches, permanently require the use of a walker to walk, or persons with single or double leg amputations. Written confirmation of permanent impairment is required from a physician or qualifying agency.

6.2 On WMA lands, motor driven land conveyances must be operated only on designated roads or trails. Unless otherwise specified, roads or trails which are closed by barricades and/or signs, either permanently or temporarily, are off limits to motor-driven land conveyances.

6.3 It is unlawful to obstruct travel routes on WMA lands.

VISIBLE COLOR CLOTHING

7.1 On WMA lands during any gun and muzzleloader hunting season for deer, bear and hogs, all hunters, including small game hunters, must wear either a hat, coat, or vest of solid visible international orange, except hunters for dove, turkey and duck are exempt from this requirement while hunting for those species.

CAMPING

8.1 Camping is not permitted on WMA lands except in designated camp sites.

TRAPPING

9.1 Trapping on WMA lands is not permitted.

WATERFOWL & DOVE REGULATIONS

Dates, times, locations and regulations for hunts on designated Dove Management Areas (public dove fields) are printed annually. The Public Dove Field List is available August 1 by calling 803-734-3886 or on the SCDNR website at www.dnr.sc.gov/wildlife/smallgame/dove.html.

Specific seasons, limits and regulations for waterfowl hunting are printed annually in the SC Migratory Bird Regulations available in September.

10.1 Unless specially designated by the Department as a Wildlife Management Area for Waterfowl or a Wildlife Management Area for Dove, all Wildlife Management Areas are open during the regular season for hunting and taking of migratory birds except where restricted to special small game seasons within the regular migratory bird framework.

10.2 The Department may designate sections of Wildlife Management

Areas and other lands and waters under the control of the Department as Designated Waterfowl Management Areas or Designated Dove Management Areas. All laws and regulations governing Wildlife Management Areas apply to these special areas. In addition, the Department may set special shooting hours, bag limits, and methods of hunting and taking waterfowl and doves on those areas. All State and Federal migratory bird laws and regulations apply. Regulations pertaining to the use of Dove Management Areas will be filed annually.

10.3 On areas where blinds are not provided, only temporary blinds of native vegetation may be constructed, and once vacated become available for others or portable blinds which are removed at the conclusion of the hunt may be used.

10.4 On Designated Waterfowl Areas, no species other than waterfowl may be taken during waterfowl hunts. On Designated Dove Management Areas no species other than doves may be taken during dove hunts. Only dove hunting is allowed at Lake Wallace WMA.

10.5 No fishing is permitted in any Category 1 Designated Waterfowl Management Area during scheduled waterfowl hunts.

10.6 The Clarks Hill Waterfowl Area is closed to hunting except for waterfowl hunting and other special hunts as designated by the SCDNR.

10.7 Santee Cooper WMA is closed to public access from October 20 until March 1, except for special hunts designated by the SCDNR.

10.8 Sandy Beach Waterfowl Area and impoundments on Bonneau Ferry WMA are closed to public access during the period Nov. 1 until Mar. 1, except for special hunts designated by the Department.

10.9 Broad River Waterfowl Management Area is closed to public access during the period Nov. 1 until Feb. 1, except for special hunts designated by the Department.

10.10 Impoundments on Bear Island, Donnelley, Samworth, Santee Coastal Reserve and Santee Delta WMAs are closed to all public access during the period Oct. 15 until Feb. 8, except during special hunts designated by the Department. All public access during the period Feb. 9 until Oct. 14 is limited to designated areas. On Bear Island WMA, Matthews Canal is closed to all hunting from Nov. 1 - Feb. 15 beyond a point 0.8 mile from the confluence of Matthews Canal with the South Edisto River.

10.11 Potato Creek Hatchery Waterfowl Area is closed to public access one week prior to opening of waterfowl season through January 31, except for scheduled waterfowl hunts. No fishing one week prior to opening of waterfowl season through January 31. All hunters must enter and leave the Potato Creek Hatchery Waterfowl Area through the designated public landing on secondary road 260 and complete a data card and deposit card in receptacle prior to leaving the area. Hunting hours are from 30 minutes before legal sunrise to legal sunset (including the special youth hunt). Hunters may not enter the area prior to 3:00 a.m. on hunt days. No airboats are allowed for hunting or fishing and no hunting from secondary road 260.

10.12 Hunters may not enter Hatchery WMA prior to 3 AM and must leave the area by 1 PM except on the last Saturday of waterfowl season when hunters may hunt until sunset. Each hunter is limited to twenty-five nontoxic shot shells (steel, bismuth/tin, bismuth, tungsten-polymer, tungsten-iron) per hunt and no buckshot allowed. Hunters must enter and leave Hatchery WMA through the Hatchery Landing and accurately complete a data card and deposit card in receptacle prior to leaving the area. No airboats are allowed in the Hatchery WMA for hunting or fishing during the period Nov. 15 until Jan. 31. No fishing is allowed during scheduled waterfowl hunts.

10.14 The Francis Marion National Forest, Crackerneck WMA, Palachucola WMA, Tillman Sand Ridge WMA and Webb WMA are open during special small game seasons within the regular migratory bird seasons; Fant's Grove WMA is open AM only on Wednesdays and Saturdays during the regular migratory bird seasons; Palachucola WMA, Tillman Sand Ridge WMA, Hamilton Ridge WMA and Webb WMA are open AM only for waterfowl hunting during the regular migratory bird seasons.

10.15 Category I Designated Waterfowl Areas include Beaverdam, Bonneau Ferry, Broad River, Clemson, Santee Cooper, Sandy Beach, Samworth, Santee Coastal Reserve, Santee-Delta, Tibwin, Bear Island, and Donnelley Wildlife Management Areas. Hunting in Category I

Designated Waterfowl Areas is by special permit obtained through annual computer drawing.

10.16 Category II Designated Waterfowl Areas include Biedler Impoundment, Carr Creek (bounded by Samworth WMA), Little Carr Creek (bounded by Samworth WMA), Lake Cunningham, Russell Creek, Monticello Reservoir, Parr Reservoir, Duncan Creek, Dunaway, Dungannon, Enoree River, Moultrie, Hatchery, Hickory Top, Hickory Top Greentree Reservoir, Lancaster Reservoir, Turtle Island, Little Pee Dee River Complex (including Ervin Dargan, Horace Tilghman), Great Pee Dee River, Potato Creek Hatchery, Sampson Island Unit (Bear Island), Tyger River, Marsh, Wee Tee, 40 Acre Rock, Waccamaw River Heritage Preserve, 40 Acre Rock, Ditch Pond, and Woodbury Waterfowl Management Areas. Hunting on Category II Designated Waterfowl Areas is in accordance with scheduled dates and times.

DESIGNATED WATERFOWL AREAS

Area	Open dates inclusive	Bag Limits
Biedler Impoundment (Sumter Co.)	Sat. AM only during the regular season.	Federal Limits
Bear Island (Colleton Co.)	Hunters selected by drawing during the regular season.	Federal Limits
Beaverdam (Anderson Co.)	Hunters selected by drawing during the regular season.	Federal Limits
Bonneau Ferry (Berkeley Co.)	Hunters selected by drawing.	Federal Limits
Broad River (Fairfield Co.)	Hunters selected by drawing.	Federal Limits
Carr Creek (bounded by Samworth WMA)	Wed. and Sat. AM only during the regular season.	Federal Limits
Ditch Pond (Aiken/Barnwell Cos.)	Wed. AM only during the regular season.	Federal Limits
Donnelley (Colleton Co.)	Hunters selected by drawing.	Federal Limits
Dunaway (Union Co.)	Sat. AM only during the regular season.	Federal Limits
Duncan Creek (Laurens Co.)	Sat. AM only during the regular season.	Federal Limits
Dungannon (Charleston Co.)	Wed. AM only during the regular season.	Federal Limits
Enoree River (Newberry Co.)	Sat. AM only during the regular season.	Federal Limits
Clemson (Anderson Co.)	Hunters selected by drawing.	Federal Limits
Hatchery (Berkeley Co.)	Sat. AM only and until sunset on the last Sat. of the regular waterfowl season.	Federal Limits
Hickory Top (Clarendon Co.)	Federal waterfowl seasons.	Federal Limits
Hickory Top Greentree Reservoir (Clarendon Co.)	Sat. AM until 11:00am only during the regular season. No season on roads or dikes.	Federal Limits
Lake Cunningham (Greenville Co.)	Wed. AM only during the regular season.	Federal Limits
Lancaster Reservoir (Lancaster Co.)	Mon. and Fri. AM only during the regular season.	Federal Limits
Little Carr Creek (bounded by Samworth WMA)	Wed. and Sat. AM only during the regular season.	Federal Limits
Marsh (Marion Co.)	Wed. and Sat. AM only during the regular season.	Federal Limits

Monticello Reservoir (Fairfield Co.)	Wed. and Sat. AM only during the regular season.	Federal Limits
Moultrie (Berkeley Co.)	Mon. through Sat. during the regular season.	Federal Limits
Parr Reservoir (Fairfield/Newberry Co.)	Mon. through Sat. during the regular season.	Federal Limits
Potato Creek Hatchery (Clarendon Co.)	Wed. and Sat. only during the regular season.	Federal Limits
Russell Creek (McCormick Co.)	Wed. and Sat. AM only during the regular season.	Federal Limits
Sampson Island Unit (Bear Island) (Colleton Co.)	Thurs. and Sat. AM only during the regular season.	Federal Limits
Samworth (Georgetown Co.)	Hunters selected by drawing.	Federal Limits
Sandy Beach (Berkeley Co.)	Hunters selected by drawing.	Federal Limits
Santee Coastal Res. (Charleston/Georgetown Co.'s)	Hunters selected by drawing.	Federal Limits
Santee Cooper (Orangeburg Co.)	Hunters selected by drawing.	Federal Limits
Santee-Delta (Georgetown Co.)	Hunters selected by drawing.	Federal Limits
Tibwin (Charleston Co)	Special hunts by drawing.	Federal Limits
Turtle Island (Jasper Co.)	Wed. and Sat. AM only during the regular season.	Federal Limits
Tyger River (Union Co.)	Sat. AM only during the regular season.	Federal Limits
Great Pee Dee (Darlington Co.)	Wednesdays during federal waterfowl season. From legal shooting hours until 12:00 noon.	Federal Limits
Little Pee Dee River Complex (Horry/Marion Cos)	Wednesdays during Federal waterfowl season. From legal shooting hours until 12:00 noon.	Federal Limits
Waccamaw River HP (Horry Co.)	Wed. and Sat. AM only.	Federal Limits
Wee Tee (Williamsburg/Georgetown Cos)	Wed. and Sat. AM only during the regular season.	Federal Limits
Woodbury (Marion Co.)	Wed. and Sat. AM only during the regular season.	Federal Limits
40 Acre Rock (Lancaster Co.)	Sat. AM only during the regular season.	Federal Limits

10.17 On Hickory Top WMA public waterfowl hunting without a Wildlife Management Area (WMA) permit is allowed on all land and water below 76.8'. Waterfowl hunting at or above elevation 76.8' requires a WMA permit. A WMA permit is required for waterfowl hunting in Hickory Top Greentree Reservoir.

10.18 Designated Dove Management Areas include all dove management areas as published by the Department in the annual listing of WMA public dove fields and are subject to regulations filed annually.

10.19 Hickory Top Greentree Reservoir is closed to hunting access November 1 until March 1, except for special hunts designated by SCDNR. All hunters must accurately complete a data card and deposit card in receptacle prior to leaving the area. Hunting hours are from 30 minutes before legal sunrise until 11:00 am. Hunters may not enter the area prior to 5:00 am on hunt days. No open season from roads or the dike system. Hunters may only use electric motors on boats.

10.20 On all state-owned, US Forest Service and other Federally-owned

Category I and II Waterfowl Management Areas, each hunter is limited to 25 non-toxic shells (steel, bismuth/tin, bismuth, tungsten, polymer, tungsten-iron) per hunt and no buckshot allowed.

10.21 On Enoree River, Dunaway, Duncan Creek, Russell Creek and Tyger River Waterfowl Areas, data cards are required for hunter access during scheduled waterfowl hunts. Completed data cards must be returned daily upon leaving each of these areas.

10.22 Woodbury Waterfowl Management Area includes all SCDNR/owned property south of US Hwy 378 and bounded on the West by the Great Pee Dee River and Bluff Road and to the East by the Little Pee Dee River except no waterfowl hunting allowed in the area known as Hass Pond that is bounded on all sides by Hass Pond Road.

AMPHIBIANS AND REPTILES

11.1 Taking of any amphibian or reptile, except the bullfrog, is prohibited on any Department-owned Wildlife Management Areas without written permission of the Department.

123-53. BEAR HUNTING RULES AND SEASONS (50-11-430)

1. The open season for taking bears by still hunting in Game Zone 1 is Monday through Saturday the 3rd week in October. 1 bear, no bears 100 lbs. or less, no sow with cubs at her side.
2. The open season for taking bears with the aid of dogs by a party permitted by the Department in Game Zone 1 is Monday through Saturday the 4th week in October. 3 bears per party, no bears 100 lbs. or less, no sow with cubs at her side. Maximum party size is 25. Groups hunting together are considered 1 party.
3. All parties must register with SCDNR Bear Permit Registration, 311 Natural Resources Drive, Clemson, SC 29631 by September 15. All harvested bear must be reported to the Clemson Wildlife Office @ 864-654-1671 ext. 19 within 24 hours of harvest.

The South Carolina Atlas! Back by popular demand!

Find your way around South Carolina, from the mountains to the sea, using our great outdoor guide, featuring detailed county maps and points of interest, from public boat landings and facilities (with lat/long coordinates) to public natural areas, including Heritage Preserves, state and county parks, wildlife management areas, national wildlife refuges, forests and parks.

You'll find state and federal highways and roads, major rivers, streams, lakes and ponds, a grid index for towns and cities, plus much more, in the large-format (11x17) county-by-county atlas.

Pages of outdoor-related information, including contact information for S.C. Department of Natural Resources offices and programs, will help you learn more about taking advantage of our state's most treasured resource: the great outdoors!

Right now, use the new atlas to learn about hurricane evacuation routes! Get information about when you should evacuate, and by what route, before the next storm hits!

Deer Seasons on Private Lands

www.dnr.sc.gov/wildlife/deer/

- Sunday hunting allowed on private lands.
- Archery allowed during all seasons.
- Crossbows are considered archery equipment and are allowed during all seasons.
- Limit of 2 antlerless deer on posted either sex days.
- Limits listed include deer taken on private & WMA lands.
- Individual Antlerless Deer Tags are not valid in Game Zone 1. Tags are valid in Game Zones 3-6 beginning Sept. 15 and in Game Zone 2 beginning Oct. 1. Individual tags are not valid on properties enrolled in the Antlerless Deer Quota Program. Tags do not alter the daily or seasonal limit or change the type of weapon that can be used during special weapons seasons.
- In Game Zones 1 and 2 it is unlawful to pursue deer with dogs, and it is unlawful to bait for deer (50-11-310). Salt/minerals are not considered bait.

Game Zone 1 Private Lands

Limit 5 antlered deer for all seasons combined.

Archery & Muzzleloaders: Oct. 1 - Oct. 10, Limit 2 per day, 2 deer total. Archers may take either-sex during all seasons (archery, muzzleloader, and gun). Muzzleloader is buck only

Gun Hunts: Limit: 2 per day, 7 deer total

Buck only: Oct. 11 - 16, Oct. 31. - Jan. 1

Either-Sex: Nov. 1, 8, 15

Game Zone 2 Private Lands

Limit 5 antlered deer for all seasons combined.

Archery: Sept. 15 - 30, Limit 2 per day, 3 deer total either-sex. Archers may take either-sex during all seasons (archery, muzzleloader, and gun).

Muzzleloaders: Oct. 1 - 10, Limit 2 deer total, buck only
either-sex: Oct. 4

Gun Hunts: Oct. 11 - Jan. 1, Limit: 2 per day,
10 deer total

Either-Sex: Oct. 11, 18, 25, Nov. 1, 8, 15, 22, 29, Dec. 20,
27, Jan. 1

Statewide Youth Day

Private lands

January 3rd Limit 2 either-sex
No tags required

Game Zone 3 Private Lands

No limit on antlered bucks.

Limit 2 antlerless deer on either-sex days.

Archery & Gun Hunts: Aug. 15 - Jan. 1, buck only
Either-Sex: Oct. 4, 11, 18, 25, Nov. 1, 8, 15, 22, 29,
Dec. 20, 27, Jan. 1

Game Zone 4 Private Lands

No limit on antlered bucks.

Limit 2 antlerless deer on either-sex days.

Archery Only: Sept. 1-14, buck only
Gun Hunts: Sept. 15-Jan. 1, buck only
Either-Sex: Oct. 4, 11, 18, 25, Nov. 1, 8, 15, 22, 29,
Dec. 20, 27, Jan. 1

Game Zone 5 Private Lands

No limit on antlered bucks.

Limit 2 antlerless deer on either-sex days.

Archery Only: Aug. 15-31, buck only
Gun Hunts: Sept. 1-Jan. 1, buck only
Either-Sex: Oct. 4, 11, 18, 25, Nov. 1, 8, 15, 22, 29,
Dec. 20, 27, Jan. 1

Game Zone 6 Private Lands

No limit on antlered bucks.

Limit 2 antlerless deer on either-sex days.

Archery & Gun Hunts: Aug. 15 - Jan. 1, buck only
Either-Sex: Oct. 4, 11, 18, 25, Nov. 1, 8, 15, 22, 29,
Dec. 20, 27, Jan. 1

Game Zone 4 & 5 Private Lands

Raccoon & Opossum: Mar. 16 -Sept. 14, 2008 (dogs only)
Sept. 15, 2008 - Mar. 15, 2009 (guns & dogs)
3 per party per day
no limit for opossum
Mar. 16 -Sept. 14, 2009 (dogs only)

Turkey Seasons on Private Lands and WMAs

www.dnr.sc.gov/wildlife/turkey/

Game Zone **1** **2** **3** **4** & **5** Private Lands

Possession and use of tags required. April 1 - May 1

Limit 5 gobblers per season, no more than 2 per day, except 2 total gobblers for Chesterfield, Darlington, Dillon, Florence, Horry, Lee, Lexington, Marion, Marlboro, Richland and Sumter Counties.

Game Zone **6** Private Lands

Possession and use of tags required.

March 15 - May 1

Limit 5 gobblers statewide, no more than 2 per day

Statewide Youth Day

March 28

Limit 2 gobblers
Possession and
use of tags
required.

General turkey hunting laws and regulations for hunting on private & WMA lands

- Sunday hunting allowed on private lands (SC 50-11-555). No Sunday hunting allowed on WMA land (Reg. 123-51).
- Statewide limit of 5 gobblers, no more than 2 per day (Reg. 123-51).
- All hunters, including hunters younger than 16, must possess a set of turkey tags. All harvested turkeys must be tagged prior to transporting. No person may possess more than one set of turkey tags (SC 50-11-544).
- Legal weapons - shotguns, muzzleloading shotguns, bows and crossbows. All other weapons or methods are prohibited including rifles, pistols, buckshot (50-11-500, Reg. 123-51).
- Turkeys may not be hunted with dogs, live decoys or electronic calls (SC 50-11-40, Reg. 123-51).
- Unlawful to shoot any turkey between 30 minutes after official sunset and 30 minutes before official sunrise. Unlawful to take or attempt to take a wild turkey from a vehicle on a public road. Unlawful to trap or snare wild turkey. Unlawful to take wild turkey from a watercraft (SC 50-11-500).
- Unlawful to hunt or take a wild turkey by means of bait or on or over any baited area (50-11-510). Bait means placing, depositing, exposing, distributing, or scattering of salt, corn, wheat, or other grain, or foodstuffs to constitute a lure or attraction for wild turkeys. NOTE: The following activities can result in a baited area if done prior to or during turkey season: discing or manipulating chufa to expose the tubers; mowing or manipulating standing grain crops where grain is scattered or exposed; top sowing of any grains.

Turkey hunts available by public hunt drawing only. Contact: Carolina Sandhills NWR, 23734 Hwy 1, McBee, SC 29101 or call 843-335-6026

¹ Keowee WMA - Shotguns only -- north of Hwy 123 and west of the Keowee Arm of Lake Hartwell to Hwy 291 and west of Hwy 291. Archery Only on other sections.

² Crackerneck WMA - Main gate opens at 4:30 am and closed at 1:00 pm. All hunters must check in and out at main gate.

³ Little Pee Dee River Complex includes Tilghman, Dargan (including upper Gunters Is. and Huggins tracts), Little Pee Dee River, and Ward Heritage Preserves in portions of Horry and Marion counties.

⁴ On Webb, Palachucola, Hamilton Ridge and Oak Lea WMAs, all turkey hunters must pick up and return data cards daily to kiosk and display hang tags on vehicles. Harvested turkeys must be checked in at the self-check kiosk located adjacent to the check stations at the respective properties.

⁵ On Pee Dee Station site WMA and Great Pee Dee River WMA, all hunters must pickup and return data cars at kiosk.

How to get Turkey Tags.

Most hunters now receive their turkey tags by mail. Tags are mailed in late February. Look at your hunting license to determine if you will receive your tags by mail. If "turkey tags" or "turkey tags will be sent by DNR" appears on the license then you should get the tags by mail. If you do not get the tags by mail, they will be available at DNR offices and some local vendors that sell hunting licenses beginning the first week in March. They are also available online, beginning the first of February, at www.dnr.sc.gov/turkeytags/.

The Heritage Trust Program: Heritage Preserves

www.dnr.sc.gov/managed/heritage.html

The Heritage Trust Program

The Heritage Trust Program, part of the Habitat Protection Section of the SCDNR's Land, Water and Conservation Division, has acquired 70 Heritage Preserves encompassing 82,725 acres statewide. Heritage Preserves are managed by the Wildlife and Freshwater Fisheries Division and protect significant natural and cultural resources. Public recreation is allowed on most preserves.

Twenty-four preserves (52,032 acres; 64% of the total acreage in the Heritage Trust Program) are also Wildlife Management Areas; these are open to public hunting in accordance with certain guidelines. Hunting is not allowed on the remaining preserves because of their small size, public safety factors or other legal, security, or biological factors.

Many roads are gated because Heritage Preserves contain unique, sensitive and rare elements vulnerable to vehicular and inordinate foot traffic. Bag limits and season lengths on Heritage Preserves are set with the aim of restoring or maintaining ecological integrity. Hunting, besides being an important recreational activity, is an important management tool on and near certain Heritage Preserves. The Heritage Trust Program has followed the lead of several other WMAs and prohibits fox squirrel hunting.

Cultural resources are strictly protected on Heritage Preserves. All projectile points (arrowheads) are protected. It is illegal to take or otherwise disturb any cultural resource or to possess a metal detector on any Heritage Preserve.

All snakes (including venomous snakes) and other reptiles and amphibians, as well as any non-game plant or animal, are protected on all Heritage Preserves. It is illegal to harm or harass any of these animals or disturb plants.

SCDNR Heritage Preserve Regulations

1. Visitation and use of Heritage Preserves are governed by regulations to promote public enjoyment of the land while preserving the features that make them special.
2. Heritage preserves are open for public use from one hour before sunrise to one hour after sunset unless otherwise posted or publicized. Exceptions may occur for a special hunting season or field trip, in designated camping areas or for approved research or other projects.
3. Parking is allowed only for preserve visitors and only in designated areas (which may be parking lots and/or roadsides, depending on the preserve). Any other parking is prohibited. No vehicle shall block any road, regardless of whether the road is gated.
4. Collection, removal, possession of, or damaging or destroying any nongame animal, plant, rock, fossil, artifact, or ecofact, or the possession of a metal detector on a Heritage Preserve are all prohibited without written permission from the SCDNR.
5. No person shall abuse, damage, deface or destroy land, structures, signs or improvements on a Heritage Preserve.
6. There shall be no placement of trash, debris, rubbish, waste, or chemicals on preserves.
7. The consumption or display of any alcoholic beverage while operating or riding as a passenger in any vehicle and public drunkenness are not allowed. Alcoholic beverages may only be consumed by a person of lawful age only while camping at a designated campsite.
8. Camping and fires are not permitted unless areas have been designated or special written permission from SCDNR has been granted.
9. All terrain vehicles (ATVs) are prohibited on all Heritage Preserves.
10. Motorized vehicles are allowed only on designated roadways. Bicycles, horses and other conveyances are allowed only on designated trails of specified preserves.
11. Hunting is allowed only on designated preserves and only in accordance with Wildlife Management Area regulations.
12. Firearms are not allowed, except on Heritage Preserves designated as Wildlife Management Areas and then only in accordance with Wildlife Management Area regulations or as otherwise provided by state law. Target and other practice shooting are prohibited.
13. No plants, animals or other organisms may be introduced on the property.
14. All or part of a Heritage Preserve may be closed to the public to protect a species, or natural, cultural, historical or archaeological features.
15. A violation of any Heritage Preserve regulation is punishable under SC Code of Laws 51-17-130.

Wildlife Management Areas www.dnr.sc.gov/wma/

WMA Program

Through the cooperative effort of private landowners, the U.S. Forest Service and the SCDNR, Wildlife Management Areas (WMAs) are provided for the enjoyment of all wildlife enthusiasts. Funds generated from the sale of WMA permits enable DNR to lease approximately 1.1 million acres of land for wildlife conservation and

management.

Heritage Preserves are properties acquired by SCDNR for the primary purpose of protecting habitat for rare and endangered species. Some Heritage Preserves offer game hunting opportunities, and therefore, are included in the WMA Program.

All persons using WMA lands are reminded that only U.S. Forest Service lands and those areas marked by WMA signs are open to the public.

Lands not posted with these signs are the property of private individuals, and landowner permission must be obtained.

General locations of the areas described below are shown on the map on pages 42-43. For detailed maps showing these and other WMA lands, write WMA MAPS, SCDNR, P.O. Box 167, Columbia, SC, 29202, call 803-734-3886 or visit www.dnr.sc.gov/wma/maps.html.

Wildlife Management Area Properties

WMA properties should be marked with these yellow and black signs.

*Open dates for each season are listed in the Hunt Seasons section beginning on page 44 of this book. Note: * indicates SCDNR Property.*

Named Wildlife Management Areas

There are two types of property included in the Wildlife Management Area Program: "specific" named WMAs and "other" unnamed WMAs. Other WMA lands occur as scattered tracts, often leased from private landowners and the forest industry. The hunting seasons for these unnamed properties are set by Game Zone with all the "other" WMA tracts within a particular Game Zone having the same seasons. These "other" WMA lands are shown as unlabeled green tracts on the WMA maps.

"Specific" WMAs are generally larger tracts of land, many owned and managed by DNR and have special seasons. These "named" WMAs are shown as labeled dark green tracts on the WMA maps. The hunting seasons for named WMAs are listed within each Game Zone.

For detailed maps showing all WMAs, contact your local DNR Wildlife Management Office (see page 61) or write: WMA Maps, P.O. Box 167, Columbia, SC 29202 803-734-3886. Request by county of interest.

- Law Enforcement Office, 311 Natural Resources Drive, Clemson, SC 29631, 864-654-8266

Deer – other WMAs

- Sunday hunting for deer is prohibited on WMAs.
- Individual antlerless deer tags are not valid on WMA land in Game Zone 1.
- Limits listed are a combined total per person for both private & WMA lands.
- No more than 5 bucks total may be taken during all seasons combined, regardless of method (archery, muzzleloader, or gun).
- Feral hogs and coyotes may be taken during all hunts. No hog hunting with dogs during still gun or muzzleloader hunts for deer or bear on WMAs.
- Archery allowed during all hunt periods (archery, muzzleloader or gun hunts).
- Archery hunters are allowed to take either sex during all deer seasons. All limits apply.
- The deer seasons for all US Army Corps of Engineers lands in Game Zone 1 are the same as the WMA deer seasons unless otherwise posted.

Youth Deer Hunt Day Jan. 3

Limit: 2 deer/either-sex (page 57 for WMAs)
no tags required

Deer: Archery & Muzzleloader WMA

Limit: 2 per day, 2 deer total

Oct. 1-10

Archery either-sex

Muzzleloader buck only

Deer: Archery only WMA

Limit: 2 per day, 2 deer total

either sex Dec. 23-Jan. 1

• *No muzzleloader hunting on WMAs Dec. 23-Jan. 1*

• Muzzleloaders allowed during Gun Hunts.

Deer: Gun Hunts on WMA Lands

Limit: 2 per day, 7 deer total

buck only Oct. 11-16, Oct. 31-Dec. 22,

either sex Nov. 1, 8, 15

• *No gun hunting for deer on WMAs Dec. 23-Jan. 1*

• *No deer hunting on Long Creek Tracts (Oconee Co.) on or after Thanksgiving Day.*

Bear

- No Sunday hunting for bear.
- Harvested bear must be reported within 24 hours to Clemson DNR at 864-654-1671, ext. 19.
- Feral hogs and coyotes may be taken during all hunts. No hog hunting with dogs during still gun hunts for deer or bear on WMAs.

Bear: Still Hunt (No dogs)

Oct. 20-25 1 bear, no bears 100 lbs. or less, no sow with cubs

Bear: Party Dog Hunts

Oct. 27-Nov. 1 3 bears per party,

- No bears 100 lbs. or less, no sow with cubs;
- All parties (maximum party size of 25) must register with SCDNR at 311 Natural Resources Drive, Clemson, SC 29631 by Sept. 15.

Groups hunting together are considered 1 party.

Small Game – other WMAs

• *Except during deer and bear seasons, it is unlawful to have in possession any firearm loaded with buckshot or larger shot or a rifle or ammunition of greater caliber than .22.*

- Hogs & coyotes may be taken during small game hunts with small game firearms only except during open seasons for deer and bear.
- No small game hunting on WMAs is allowed before Sept. 1 or after Mar. 1. Additional small game season restrictions may apply to specific WMAs.

- Archery, crossbows, centerfire rifles, muzzleloading rifles, centerfire handguns and shotguns with slugs only.

Thanks to Landowners

Landowners providing their land for public hunting and recreation are due much appreciation from SCDNR and all outdoor enthusiasts. Without these lands, public hunting as provided in this state would be impossible. Sportsmen seeing the yellow and black diamond-shaped signs designating WMA boundaries should remember they are hunting as guests of the landowner and be respectful of this privilege.

1 deer per day

Hog Hunting Seasons for WMAs and Heritage Preserves

Feral hog hunting on WMAs is permitted during any open season for game unless otherwise restricted (see specific WMAs). A hunting license and a WMA permit is required and hunters are required to wear a hat, coat or vest of solid international orange color while hunting. Hogs may not be transported alive. Hogs may not be hunted at night. On WMA lands, weapons used to hunt hogs are limited to the weapons that are allowed for the current open season on each WMA. On Special Hog Still Gun Hunts, weapons may include archery, crossbows, centerfire rifles, muzzleloading rifles, centerfire handguns and shotguns with slugs only except as specified for certain WMAs. For Special Hog Hunts with Dogs, no more than 4 bay or catch dogs per party, no still or stalk hunting and only handguns permitted except as specified for certain WMAs.

Swine brucellosis is caused by a bacteria and is primarily a reproductive tract disease in wild pigs that can be transmitted to humans. Infections are manifest by flu-like symptoms including fever, headaches, muscle and joint soreness and weakness. The fatality rate in humans is very low, but the disease often is prolonged and debilitating. Humans have contracted swine brucellosis from handling and dressing wild swine. This disease is present in many wild hog populations in SC. Persons dressing wild swine should take the following precautions: 1) use disposable rubber gloves and protective eyeglasses while dressing the carcass 2) minimize handling of the reproductive tracts of both sexes 3) dispose of waste parts by burying or burning 4) clean up with hot water and soap after processing and 5) cook meat thoroughly to 160 degrees F prior to eating.

Note: Eligibility requirements for mobility impaired deer hunts at these locations are as follows: Persons permanently confined to a wheelchair; persons permanently requiring the use of mechanical aids (crutches, walkers, and etc.) to walk or persons with complete single or double leg amputations.

Wildlife Diseases

www.dnr.sc.gov/wildlife/deer/chronicwasting.html

Chronic Wasting Disease

Chronic Wasting Disease or CWD is a Transmissible Spongiform Encephalopathy (TSE) that affects deer and elk. TSE's are fatal neurological diseases characterized by degeneration of the brain. CWD attacks the central nervous system and presents symptoms including extreme weight loss, excessive salivation and urination, odd behavior and poor coordination. The disease is infectious, communicable and always fatal. CWD has a prolonged incubation period and no current test exists to detect the disease in live animals. Diagnosis requires examination of the brain or lymph nodes.

The CWD agent is believed to be a prion, a mutated protein that causes normal proteins in the body to fold abnormally, which causes sponge-like holes in the brain. It is not known exactly how CWD is spread, but it is believed that the agent may be spread both by direct animal-to-animal contact and indirectly by contact with a previously contaminated surface, such as the soil.

There is no indication that CWD of deer and elk can be transmitted between species other than cervids (deer family), and both the World Health Organization and federal Centers for Disease Control have indicated that there is currently no indication that the disease can infect humans.

Although the disease has not been diagnosed

in South Carolina, it has been found in the following states: Colorado, Illinois, Kansas, Minnesota, Montana, Nebraska, New Mexico, New York, Oklahoma, South Dakota, Utah, West Virginia, Wisconsin, Wyoming and the Canadian provinces of Alberta and Saskatchewan. Hunters traveling to these states should only bring the following carcass parts into South Carolina: quarters or other portions of meat with no part of the spinal column or head attached; meat that has been boned out; hides with no heads attached; clean (no meat or tissue attached) skulls or skull plates with antlers attached; antlers (detached from the skull plate); clean upper canine teeth, also called "buglers," "whistlers" or "ivories;" and finished taxidermy heads.

Surveillance conducted by DNR on approximately 2,000 deer over the last 5 years continues to provide no evidence of CWD in SC. South Carolina should continue to have low risk for CWD for two reasons. First, South Carolina is geographically far from any known CWD. Second, there is evidence that movements of deer/elk for commercial purposes may have played a role in the spread of CWD, and DNR has historically had a closed-door policy on importation of cervids for commercial purposes like deer farming or ranching. Please, do not tolerate illegal activity or behavior that threatens your hunting tradition. You can proactively protect South Carolina's deer population by reporting illegal importation of deer or elk by calling 1-800-922-5431.

Avian Influenza

Avian Influenza (AI) is a Type A influenza virus that naturally occurs in certain types of waterfowl and shorebirds around the world. Recently, a highly pathogenic AI has been found in domestic and wild birds in Asia, parts of Europe and North Africa. In these cases there has been significant mortality in infected birds, and humans have become sick from handling the sick birds. Most alarming is the fact that the death rate among the infected humans has been extremely high, averaging about 50%. At this time the experts believe that this is still primarily a bird disease, and the transmission of the virus from birds to humans does not occur easily. The documented human cases have been associated with close contact with infected poultry and wild birds.

The good news is that extensive sampling of domestic and wild birds has been done in North America including South Carolina. To this date, the virus creating the problems in other parts of the world has not been found on this continent. The SCDNR will continue to monitor shorebirds and waterfowl for the occurrence of this, and similar, viruses.

There is no need to panic. It is uncertain how this virus will move and change over time. Hunters should always pay attention to wildlife while afield. Report only multiple dead bird findings to SCDNR, except for birds of prey, as single dead birds are usually the result of various natural causes. Hunters should continue to hunt, take and dress game, cook it properly and eat it. All game should be dressed very soon after harvest and those dressing game should wear protective gear like rubber gloves and eye glasses. All game should be cooked to an internal temperature of at least 160 degrees Fahrenheit.

Thank You! Manufacturers of hunting and fishing equipment (arms, ammunition, manufactured fishing tackle) support the programs of the South Carolina Department of Natural Resources through the collection of an excise tax at the federal level. These taxes are pro-rated to state fish and wildlife agencies to assist in the management and conservation of natural resources throughout the states. For the past 60 years, these funds have achieved results in wildlife management and conservation through a public-and private-sector partnership that includes the U.S. Fish and Wildlife Service, State fish and wildlife agencies, firearms, fishing tackle and boating industries, and hunters, shooters, anglers and boaters. THANKS go to the hunting and fishing industries for supporting this important program!
